

Boiling Springs Elementary School

700 Double Bridge Rd
Boiling Springs, SC 29316

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	PK-3 Elementary	Principal:	Michelle Kimbrell
Enrollment:	848 students	Superintendent:	Dr. Scott J. Mercer
School Phone:	864-578-1231	Board Chair:	Mr. Jack A. Mabry, Jr.
School Website:	http://www.spartanburg2.k12.sc.us		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

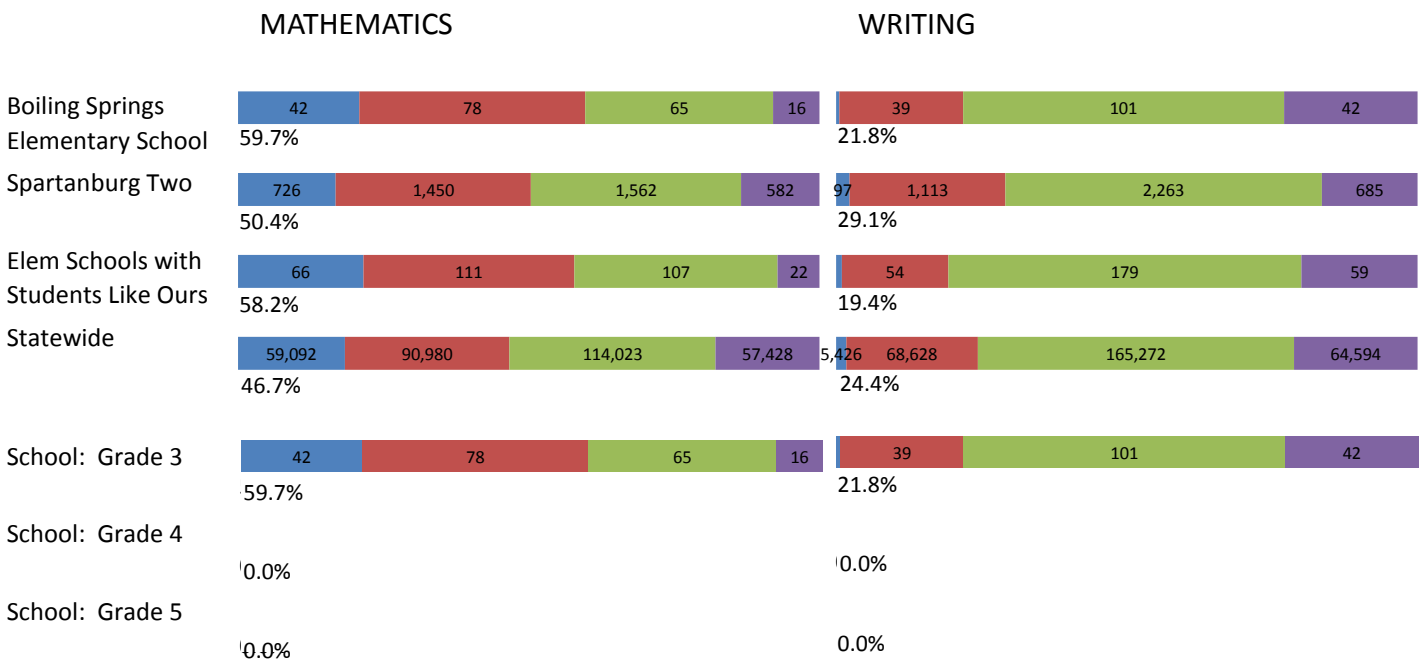

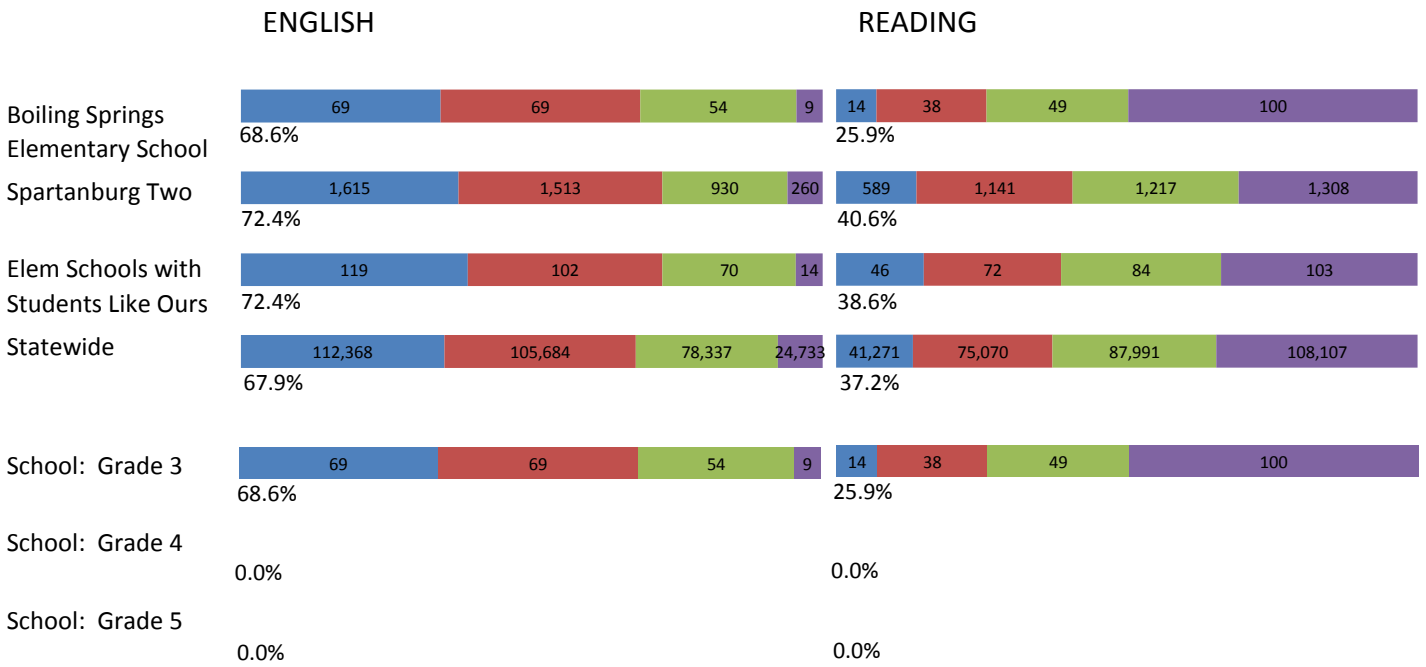

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by offering a variety of academic opportunities with a blend of both community outreach projects and opportunities in the arts. Our teachers have participated in numerous professional development opportunities. Teachers, at each grade level, attended sessions offered through the Furman Consortium. Some attended conferences through Ed. Tech, SCIRA, ASCD Project Based Learning, the Kindergarten Conference, numerous conferences for ELL students, and more. We went to visit a one to one district as we move forward with our digital conversion. Within our school, teachers taught each other how to use programs like Blendspace, MoveNote, Educreate, Kahoot, using QR Codes, and Google. Boiling Springs Elementary had a fantastic academic year! We have many accomplishments to celebrate as the 2014-2015 school year comes to a close. We have continued to address areas of concern to ensure that we are giving our students the very best. Such programs include Response to Intervention, LLI instruction, Early 5K reading intervention, Math Lunch Bunch, and after school tutoring to name a few. These intervention programs offer students the supports they need to be successful. Throughout the year, we offer club opportunities. Our Hands across America club creates birthday cards for Mobile Meals while the Health and Fitness Club discuss good food choices and keeping your body in shape. The running club participates in community runs. BSES also supports Relay for Life. We host activities like "Every Dime Counts" or a book character pumpkin decorating contest. This year alone we have raised over \$10,000. The MUSE visits our school three times a year providing our students with art based programs. Students enjoy everything from drama to ballet. With the McDonald's Grant, Jana Curry and Melanie Campbell host an art show each year. This year, we had the Ol' 74 Jazz band to perform while students and parents participated in a QR code hunt on featured artist Romare Bearden. We also have a PBIS program titled PAWS that encourages students to "paws" and do the right thing. Staff members recognize students throughout the school day for making good choices. Boiling Springs Elementary is continuing to grow each year. We currently have over 860 children enrolled at BSES. With 2014-2015 coming to a close, we are excited to see what 2015-2016 has in store. Michelle Kimbrell, Principal George Ferrell, SIC Chair

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
