South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Hendrix IB World School continues to shine and make a difference in our community and around the world! It has been an incredible year for HES as we continue to provide our community of learners an opportunity to work together in an environment which is safe and supportive. Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by offering a variety of academic opportunities with a blend of both community outreach projects and opportunities in the arts. As a S.C. Transform SC school, teachers are working diligently to increase technology and real-world learning opportunities that will prepare our students to be well-rounded students and citizens. Research indicates that students need to be collaborative, creative, critical thinkers and strong communicators. The faculty and staff provide student centered instruction following our state standards in an IB environment that prepares students to become active, compassionate, life-long learners and responsible world class citizens. We look forward to progress as we journey into the 1-1 device initiative at the 3rd grade level. This year, families enjoyed several "Lunch and Learn" workshops through our Parent University experience. Back-to-School Bash, Parent Education Night, Student-Led Conferences, Family Literacy and Arts Night, Math and Science Night, Tech Night, The Cherry Blossom Festival, Chopsticks 5K Community Run, Student Fun Run, Friday Fiesta, and our IB Exhibition are just a few of the ways that our families and communities came together throughout this school year. We have received National Recognition from the Alliance for Healthier Generations and have transitioned from being a Bronze Medal School to a Silver Medal School for excellence in health and nutrition. Through our partnerships with our families and communities, and with an increased focus on communication, collaboration, and critical thinking, we know that Hendrix Elementary IB World School will continue to strive to be at the forefront of student leadership and academic excellence. We want to be the change that we wish to see in the world! Tina Humphries Principal Maria Camp SIC Chairperson
