Duncan, SC 29334

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	5-6 Elementary	Principal:	Michael A. Powell
Enrollment:	575 students	Superintendent:	Dr. Scott Turner
School Phone:	864-949-2300	Board Chair:	Mr. Garry Harper
School Website:	http://www.spart5.net/brsh/site/default.asp		

Profile of the SC Graduate

- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Dear Parents,

Berry Shoals Intermediate School is excited to be helping our future graduates develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring, and academically challenging learning environment. We pride ourselves at being academically driven. Our rigorous standards and curriculum in all subjects are designed to challenge every learner. Most importantly, at Berry Shoals Intermediate School, with the integration of the arts, sciences, and character programs, our focus is to teach the whole child so that each child can reach their true capacity.

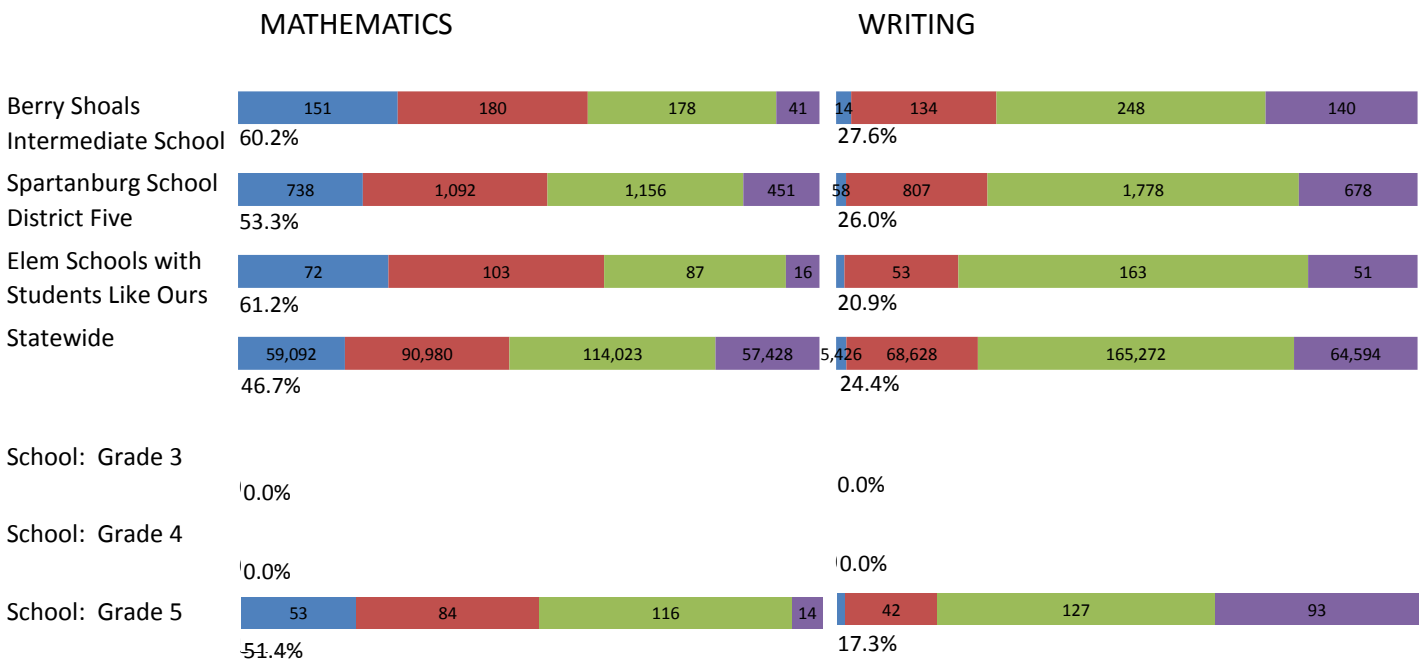

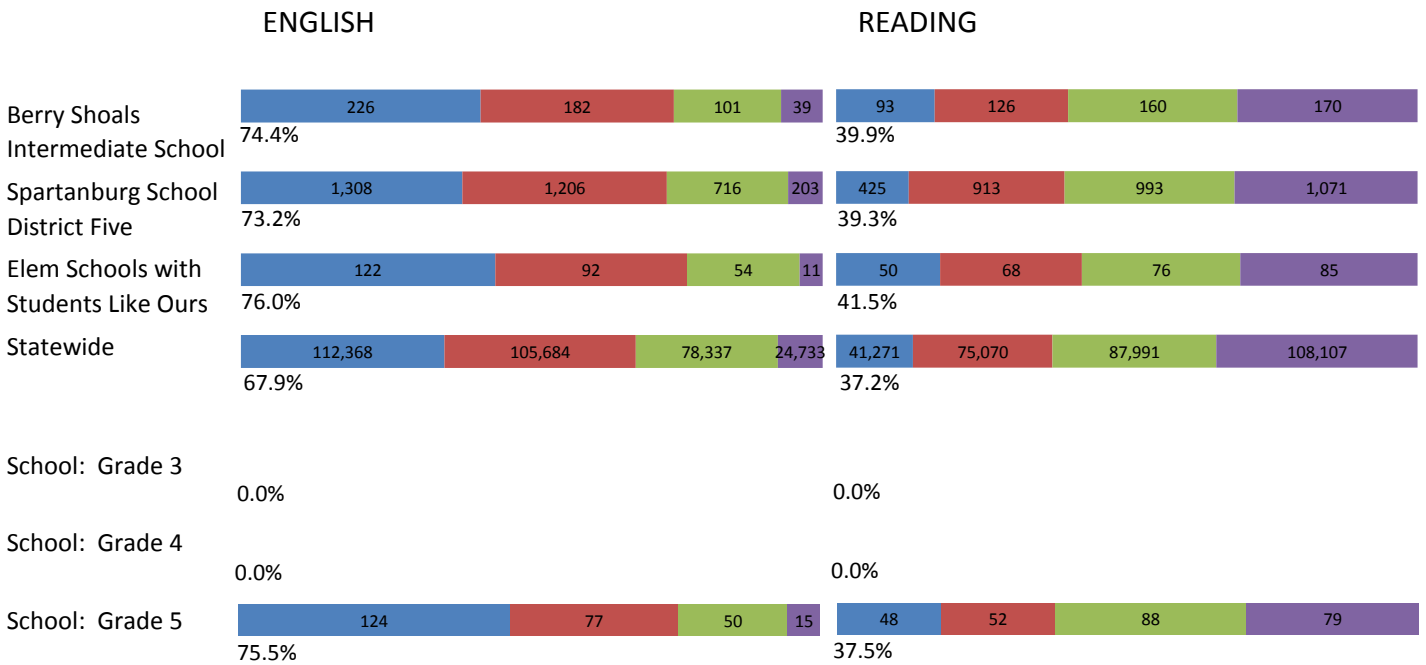

In order to provide world class skills to our students, our teachers are continuously participating in professional development to increase their effectiveness in the classroom. Teachers spend countless hours preparing for the ever-evolving academic standards in Language Arts, Math, Science and Social Studies. Teachers participate in ongoing training in the integration of the latest technology hardware and software in order to provide our students with world class skills in communication, information, media, and technology. Using research-based best teaching and learning practices, our students are able to continue to grow in all core academic areas. Our students are succeeding thanks to authentic hands-on learning, rigorous school-wide research practices and real-time laboratory experiences that require critical thinking, problem solving, and teamwork. Through the hard work and dedication of our students and staff, our school has earned numerous awards and recognitions including the Palmetto Gold Award for Academic Achievement.

In addition to an excellent academic program, in teaching the whole child, each student participates in our award-winning performing and related arts programs. Our fine arts program provides our students multiple opportunities for self-expression, creativity, and innovation in the areas of music, the visual and dramatic arts, and in the performing arts. Students participate in numerous drama productions and chorus and music programs throughout the year. Walk through the building, or in other locations throughout the community, and you will always see exceptional work by our visual arts students. Although each work of art is unique, collectively, they make our building look beautiful. Collectively, our students are provided an outstanding foundation in the arts while also being provided many opportunities to perform!

Our students develop life and career characteristics, as well as citizenship attributes.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
