Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Northside Elementary School of the Arts is a Title I Arts integration School of Choice that serves 560 students in grades K-5th with 65 staff members. The goal of our school is to educate all students in and through the arts by developing their knowledge of problem-solving skills to enhance the quality of their lives and life in the community. Our community business partners include: Northside Baptist Church, E S & Y Auto Repair, Arts Council of York County, Blumenthal Performing Arts Center of Charlotte, Bethel United Methodist Church, Rogers Memorial ARP Church, East HealthSource, Target, Family Trust Credit Union, Papa John's, and Sonny's BBQ.

As a Red Carpet School and School of Promise, we continue to provide a positive relationship with home and community. All students participated in service learning projects such as holiday boxes for children around the world, Kick-it-for Cancer raising over \$3800 to help find a cure for childhood cancers, we continued the Edible Garden with Glencarin Gardens with our first grade classes. In addition, we participated in the SC Walk to School Day and provided a healthy breakfast to all students who attended. The school hosted a Fun Run that raised over \$14,000 and educated all students and staff about the importance of making healthy food and fitness choices.

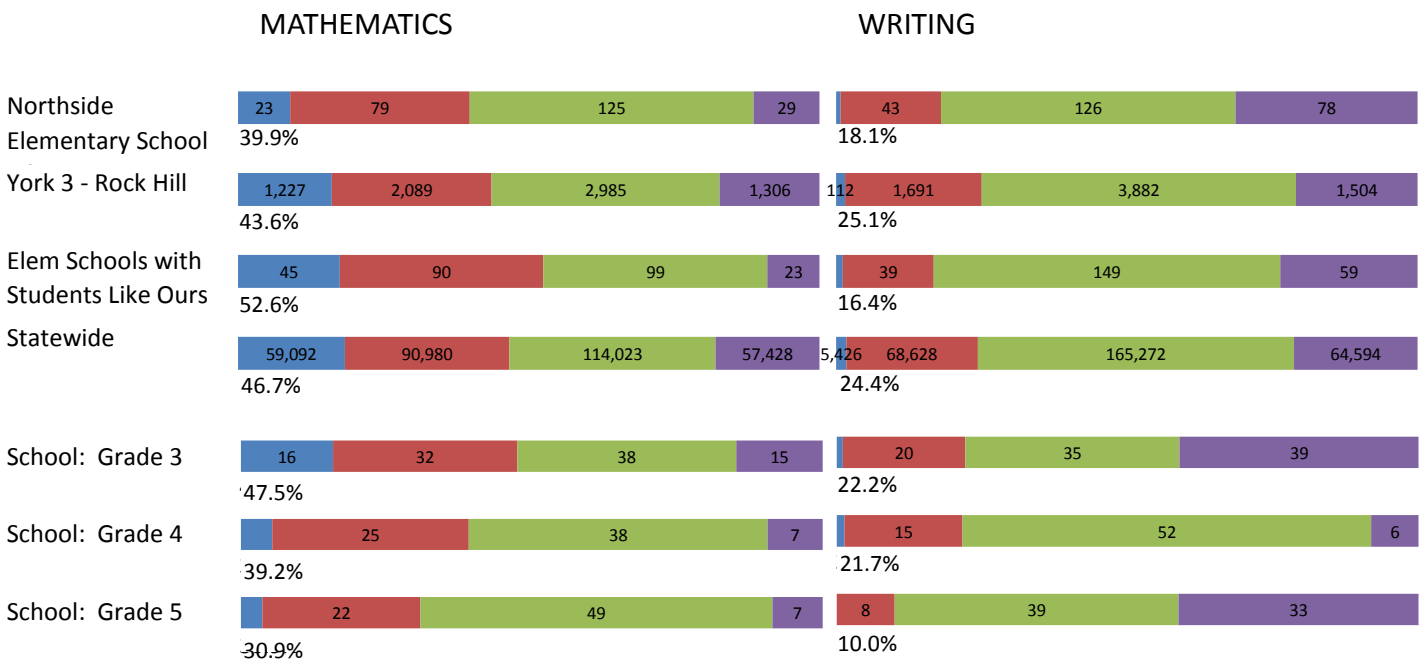

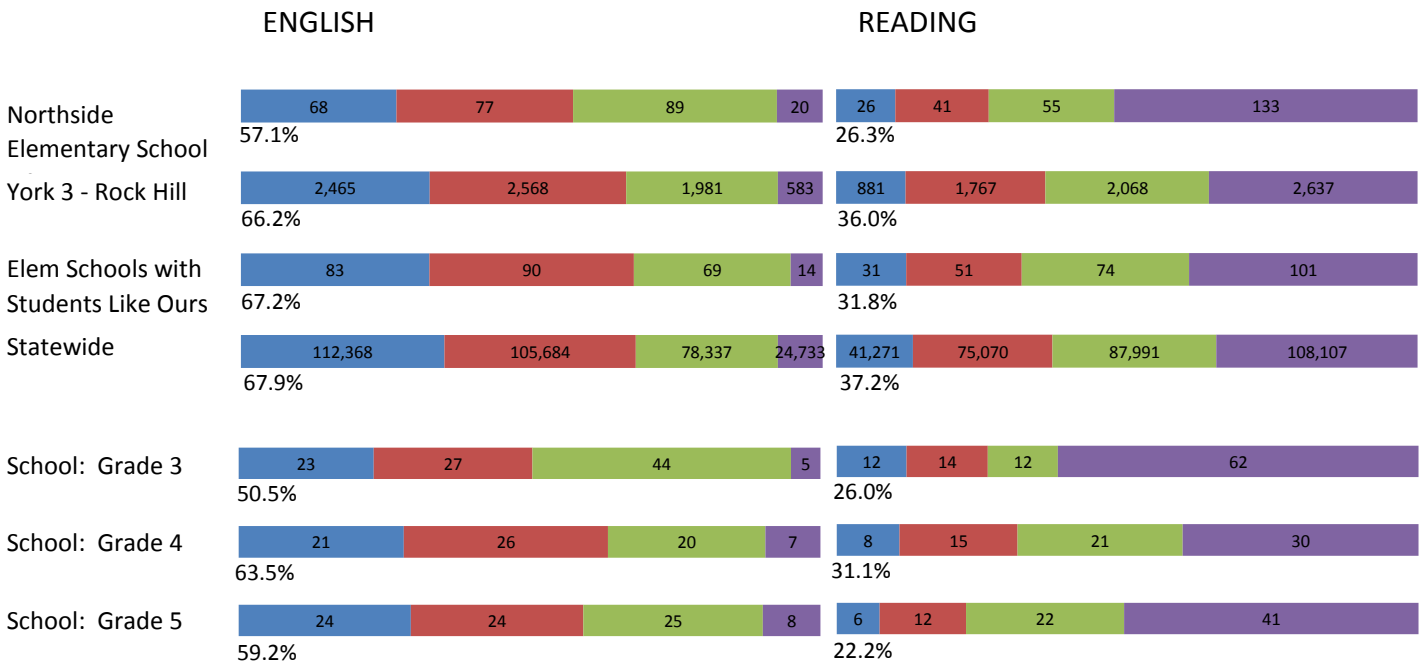

The SIC and PTO collaborated throughout the year to strengthen School of Choice options for the 2014-2015 school year and the upcoming school year of 2015-2016. Registration, tours, applications, an arts integration night, and parent meetings were held for prospective parents. Our students participated in the annual Banner Project through the York County Arts Council. Teachers were awarded multiple individual and group grants from organizations such as Family Trust Federal Credit Union and The Rock Hill Schools Foundation Grants.

Continuing as an Arts in Basic Curriculum site, we received both the Arts Curricular Innovation Grant for over \$18,000 and the Arts in Basic Curriculum Grant for \$6,000. All grades had an artist in residence and performed in either an arts integrated standard-based program or a grade level musical. For 3rd, 4th, and 5th grade students, violin during the school day and after school visual arts classes were offered. Arts integrated units were written and students participated in standards-based Arts Explorers 5 week sessions four times during the year. Students performed in the community throughout the year. Daily academic intervention occurred. Students received instruction in Tiers 2 and 3 in literacy and math. The district Title 1 parent educators worked with parents and children in literacy, math, and summer learning workshops.

Our focus this year will be to continue to build our professional learning community, arts integration, focus on best practices in literacy and math all while continuing the technology integration focus of the school district.
