South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Blackville Hilda Junior and Senior High Schools serves the areas of the Hilda and Blackville Community. The school is comprised of approximately 310 students. We have a student body that is very diverse in culture with 83 percent of the student body being African-American and 10 percent white and 3 percent of Hispanic heritage. The faculty is made up of dedicated educators who strive to provide all students with the opportunity to learn each day without regard to prior academic achievement. We are committed to the belief that every child can learn. Proper preparation for higher education and careers is a goal of the school. The school encourages all students to prepare for post-secondary education. We also help prepare students for vocational careers by providing instruction by partnership with the Barnwell County Career and Technology Center. We have experienced a significant increase in the High School Assessment Program (HSAP) scores in both language arts/reading and mathematics over the past years and will strive to continue our march towards academic excellence. Blackville Hilda Schools are TAP schools which is an incentive laden initiative designed with the purpose of increasing academic achievement by improving the instructional capacity of our staff. This program involves consistent staff development and teacher observations designed to aid the teacher in performing at his or her highest potential. Blackville Hilda Junior and Senior High School is a Learning Focused Project School whereby instruction each day incorporates "best practices" research. All teachers are trained to use the Learning Focused strategies as they teach. All students participate in the Academic Enrichment block each day designed to address individual weaknesses our students may have that hinder their academic potential. Our students and teachers focus on reading comprehension extensively at our schools to improve overall literacy proficiency among our students. We hope to increase our reading and math skills and test performance through these innovative programs. We plan to use additional funds in the upcoming years to make our school completely standards-based through extensive faculty staff development and training in content areas as well as teaching strategies. In addition to academic performance, students at Blackville Hilda High School excel in extracurricular areas as well. Our varsity football, track, and boys basketball teams competed in the state playoffs. Our band participated in various competitions and continues to be an ambassador for our school with the community and beyond Barnwell County. We have instituted a robotics class this year, and have worked to increase our partnerships with Denmark Tech and Vorhees Colleges as we strive to prepare our students for post-secondary studies and the workforce. We hope you will join us in supporting the initiatives to make our schools, not only the best in our state but also globally throughout America. KNOWLEDGE

Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015

Average ACT Score Achieved by Students: Writing

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
12.2	7.3	9.8	2.4	2.4

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.
