South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Baptist Hill Middle/High School is helping all students develop the world class skills and life and career characteristics of the Profile of the SC Graduate by providing a safe, caring, and academically challenging learning environment. We achieve this goal by implementing our school mission: by engaging in high quality education, we empower all students to achieve their maximum potential and become contributing and responsible lifelong learners.

We earned the Palmetto Gold Award for academic progress. Our ACT scores increased significantly, so that we had the highest gains in the county. Our academic support programs during and after school, such as Advisement and the After School Academy, have contributed to our success. In addition, our Failure is Not an Option (FINAO) Incentive Program rewards students for grades and conduct.

Our team has fostered a data rich environment. We use the philosophy of high school response to intervention to universally screen all of our 7th, 8th and 9th grade students and place them in math and/or reading interventions as appropriate. For our higher level students, we offer high school credit in grade 8 in English I and Algebra I as well as a gifted and talented program. Our high school offers honors sections in all core classes.

Our comprehensive curriculum gives our students the most important gift an institution of higher learning can provide—the tools for opportunity and choice in their post-graduate lives. We offer a rigorous curriculum of core classes complemented by opportunities in the arts, technology, and career-oriented classes. We increased our post-graduate academy by adding more AP classes, pre-engineering and strings for middle school students, art, and dance. We also offer our students dual credit through our partner Trident Technical College, St. Paul's Campus.

We increased our community partnerships with colleges locally and around the state, offered parent engagement sessions (Bobcat Breakfast and Dinner, Parents' Night Out, Parents' Morning), and hosted a Career Expo with over 30 presenters and businesses, including Boeing, Pegasus Steel, Verizon Wireless, Charleston Riverdogs, Key Logistics, Salon 331, St. Paul's Fire Department, Charleston County Transportation, and Charleston County School District Operations Department.

We are proud of our tradition of serving our sea island communities since 1948, and we are looking forward to serving students and the community for years to come. At Baptist Hill, we believe in "Success by choice...Not by chance!"

KNOWLEDGE

Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015

Average ACT Score Achieved by Students: Writing

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
17.5	6.3	9.5	3.2	0

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.

The ACT is a registered trademark of ACT, Inc.
