South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

The Academic Magnet High School helps all students develop the world class skills and life and career characteristics of the Profile of the SC Graduate by challenging each student, teacher, and parent with the high expectations of a rigorous curriculum, providing a learning environment that prepares students for college and to be citizens of the world, and promoting self-esteem, a sense of global responsibility, and respect for cultural diversity.

Our students come together from all areas of Charleston, representing a heterogeneous mixture of ethnicity, religion, and socioeconomic status, while also representing a homogeneous population in terms of academic goals, mindset, and motivation. Our learning environment is open and accepting, allowing students to not only answer the question, but also to question the answer. Interdisciplinary approaches are used in conjunction with advanced technology to teach and encourage students to generate ideas, solve problems, and communicate solutions.

By offering only Honors and AP courses, and requiring a senior thesis, AMHS challenges each student to excel and provides world class knowledge and insights. Evidence of our success in this area include a #7 national ranking by US News and World Report, 13 National Merit Scholarship Finalists, 55 early award Palmetto Fellows (this recognition is pending for 10 additional students), and 100 CCSD Board Scholars reflecting a GPA of 4.25 and higher. Average SAT scores are 664 for Critical Reading, 642 for Math, and 636 for Writing, each an increase over the prior year. Our students take a minimum of 4 AP courses and complete a Senior Thesis project, evidence of the strong work ethic and perseverance required to be successful. Over 1000 AP tests were administered and 86% of students earned scores of 3 or better.

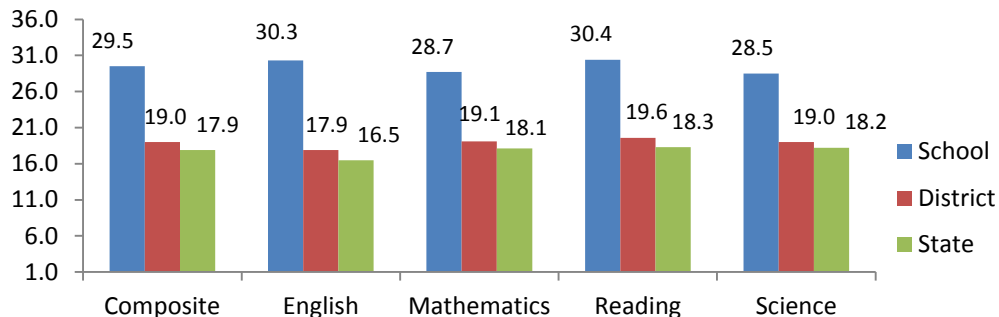

One way that AMHS develops world class citizens is through its Code of Honor, which ensures academic and personal integrity and fosters self-direction and intrinsic motivation. The Spanish National Honor Society, the French National Honor Society, the REACH club and the Key Club provide opportunities for students to connect with local and global communities, developing their sense of corporate and global responsibility.

By the interdependent efforts of faculty, students, parents, staff, administration and community, AMHS continues to offer our students the tools, instruction, and guidance necessary to increase their knowledge and skills to prepare them to be successful in their high school, college and future endeavors.

KNOWLEDGE

Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015

Average ACT Score Achieved by Students: Writing

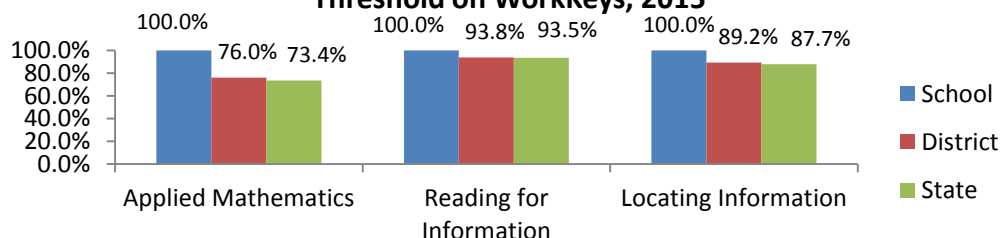

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015

English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
96.8	98.7	94.9	92.3	90.4

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.
