South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Carvers Bay High School (CBHS) is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing our students with the support and encouragement they need to achieve success in a global society. As a Title I high school, our overall goal is to increase the number of students that meet readiness standards for post-secondary education and the workplace by adopting a culture of high expectations through a more rigorous curriculum. The academic program at CBHS entails goals and objectives for each course in the core curriculum aligned with South Carolina State Standards. Test results from all major assessments are used to assist with planning strategies to improve student proficiency. The Career and Technology Education (CATE) programs are on the cutting edge of technology and challenge our students with numerous hands-on experiences and life applicable skills. All students have Individual Graduation Plans to help prepare them for career pathways. Honors, AP, Dual Enrollment and SAT/ACT preparation courses are available to our students. Our students have made consistent gains on state and national assessments. The delivery of instruction through the use of technology continues to increase. Our Ninth Grade Academy established in 2005 to assist freshmen with the academic and social transitions from middle to high school continues to grow. This year the Career Choices curriculum was implemented for our freshmen class. This curriculum helps students acquire the skills necessary to successfully navigate their life to work transition by creating a personalized 10 year plan and promoting career readiness and focus. Extra-curricular activities and a wide array of clubs and organizations provide students with a variety of opportunities to excel. We are accredited by the Southern Association of Schools and College and AdvancED, and have received the South Carolina Palmetto Gold Award for general performance and closing the achievement gap in 2011-12, 13-14, and 14-15. In 2012, 14, and 15, CBHS was recognized as one of America's Best High Schools by U.S. News and World Report. In 2013, CBHS received a grade of B+ and a grade of A in 2014 from the Federal ESEA Accountability Rating System. Future goals for CBHS include increasing the number of AP and Dual Enrollment classes, increase rigor and relevance in academic classes, and partnering with community civic organizations to provide more opportunities for our students to succeed. Angel Coles, SIC Chairperson Richard Neal, Principal

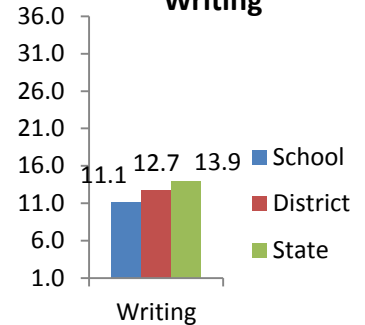

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015

Average ACT Score Achieved by Students: Writing

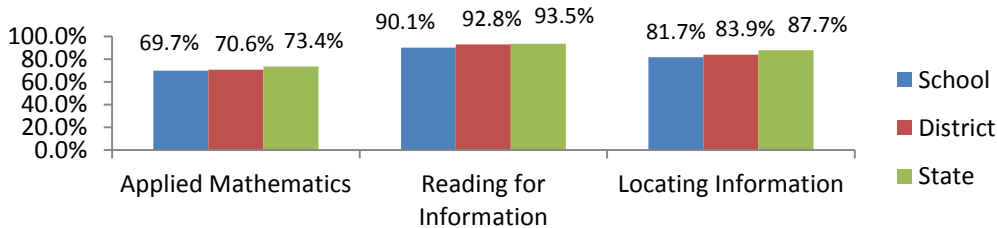

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
15.5	10.3	9.3	1	1

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.
