

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Lancaster High School offers a variety of courses to meet the South Carolina standards for ELA and math. In addition, a number of CATE courses provide classroom instruction with internships available where students learn and apply world class knowledge. Our community/business partners provide resources within and outside the classroom. Child Development, Engineering, Cosmetology, Building Construction, and Culinary Arts classes provide services to our community and enhance learning opportunities for students. Students are capable of obtaining state certification prepared to enter the workforce through several courses. Our students requiring remediation/enrichment may participate in our Read Right Program which develops and enhances reading skills. These efforts and more, support a student's quest for world class knowledge. In developing world class skills, our ninth grade students are introduced to technology and applied research skills via our media center and classrooms. Our Academic Challenge Team, Honors Day participation, speaking and writing competitions, journalism publications, and LearnTV develop world class skills in areas such as creativity, collaboration, critical thinking, communication, and knowing how to learn on a daily basis. Programs such as Bear FACTS (advisory) and school wide participation in SAT testing support the requisition and application of the aforementioned skills. Life and career characteristics are a true focus of Lancaster High as embraced by our mission statement. Lancaster High School aims to prepare our students for a responsible and productive future by providing challenging and relevant experiences in a positive environment supported by the community. Opportunities for developing personal life and career goals are provided through Junior Civitans/Civinettes, ROTC, HS 101, Athletic Teams, SC Finance Challenge, and a focus on Individual Graduation Plans beginning prior to high school. Support for students in developing these skills is strengthened through 9th grade orientation, Power House Program, Bear FACTS, Jobs for America's Graduates program and an onsite mental health counselor. Our students face many challenges and have countless opportunities to grow and develop to succeed and fulfill the profile of the SC graduate. We welcome and solicit your input and involvement as we continue this journey.

KNOWLEDGE

Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015

Average ACT Score Achieved by Students: Writing

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
17.9	11.2	11.9	6	3.5

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.

The ACT is a registered trademark of ACT, Inc.
