# South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

### WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

*Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

Chapin High School (CHS) is committed to creating an educational environment that will ensure our students success in school and in life. We understand that the knowledge, skills and competencies acquired now will be the foundation for future learning. Chapin High School was fortunate to be recognized for its outstanding instructional program by the South Carolina Association of School Administrators (SCASA) with the 2015 Palmetto's Finest Award. Our continued school goal is to prepare each student to be college and career ready. We recognize that continuous improvement of our professional practice is the only way to meet that goal. To this aim, our teachers are committed to professional learning communities called Data Teams, which provide our teachers with a structured conversation about teaching and learning.

"College and Career Readiness" begins early. We provide our freshman the opportunities to discover their talents and to begin exploring career paths. Our sophomores are encouraged to continue to explore career paths, while also considering how current coursework is relevant to future goals. During the junior year, we encourage our students to consider postsecondary opportunities that will lead them to future goals. Finally, during the senior year, our plan is for our students to be engaged in a meaningful senior internship that is directly related to their college and career goals. Each Course of Study is filled with enriching experiences that enhance the area of concentration chosen by our students. These meaningful experiences, or CLAW Experiences, are intended to provide our students the platform for exploring their passions.

Here at CHS we have a rally cry "We aRe Chapin" which originated from the Positive Behavior Intervention and Support (PBIS) program. The emphasis on the "R" is to help students understand the importance of being Ready to learn, Respectful to others and Responsible to ourselves. We have since added to the rally cry the phrase, "We are a thousand passions and one heartbeat." The heart is an unofficial logo that signifies the power of knowing and following our passion. Each student is taught these principles on the first day of school and reminded of them each day because we know that characteristics taught in school will carry-over to their college and career successes.

**KNOWLEDGE**

**Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015**

**Average ACT Score Achieved by Students: Writing**

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
66.3	53.6	52.2	43.8	31.5

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

**Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015**

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.
