# South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

## WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

*Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

Marlboro County High School is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by offering our students and faculty numerous opportunities through its concerted efforts to improve student achievement and demonstrating "You just can't hide that Bulldog pride!!" Marlboro County High School achieved notable increases in the passage rates of the Algebra 1 and Biology 1 End of Course Exams. We performed above "schools like ours" on the US History End of Course Exam. Our graduation rates continue to improve, 1.9 percent from the previous year. We hosted our first "STEM Night Fever Expo" as a part of our efforts to increase STEM literacy and create a pipeline of future innovators to move the country forward. The Marlboro County High School Army JROTC, in collaboration with the Teacher Cadet Program and the Interact Club hosted five American Red Cross Blood drives during SY 2014 – 2015. The total number of units collected during those five drives was 240 which equates to potentially saving the lives of 720 people. The Class of 2015 boasted over 3,000,000 of scholarship funds obtained for college via the military. Overall \$6,000,000 in college funds was earned by the Class of 2015, and a total of 92 CATE Completers. Marlboro County High School Army JROTC Department had a cadet to receive an appointment to the United States Military Academy at West Point and to the United States Naval Academy at Annapolis; making him the first student to receive an appointment to West Point from Marlboro County High School! Our Fine Arts Department and the multi-cultural members of the faculty presented an outstanding Multicultural program in honor of Black History Month. The theme of the program was A Century of Black Life, History, and Culture. Two Marlboro County High School students set several American power lifting records for their age group (14/15yo) at the South Carolina State Power Lifting Championships. Students' scores in this championship resulted in breaking three nationwide records in each of the respective events. Another student set a record of 429 in the squat and 468 in the deadlift, thus breaking two existing nationwide records in his respective events. This is the first time in the history of Marlboro County High School that students have set new records in power lifting events that student athletes from across the country were eligible to set. Two of our athletes were named North/South All Stars and several of our student athletes signed letters of intent in the areas of football, baseball and softball. We believe that success is possible when all stakeholders work together towards a common goal of continuous improved student achievement. We will continue to strive for excellence! Andrea L. Hampton, Ed. D Principal Tyrone Abraham, Sr. SIC Chairperson

**KNOWLEDGE**

**Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015**

**Average ACT Score Achieved by Students: Writing**

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
22.1	8.9	11.3	7	2.3

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

**Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015**

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.
