

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

C.E. Murray Middle and High schools are helping all students to develop world class skills and the life and career characteristics of the Profile of a S.C. Graduate by giving all students the opportunity to experience a high degree of academic achievement through their engagement in rigorous science, English language arts, mathematics, social studies, foreign language, and career and technology education curriculum embedded with 21st Century Skills which include STEM curriculum. Students are enrolled in AP courses, honors courses, online courses (all subject areas), virtual courses, and dual enrollment courses. In order to ensure that all students are college and/or career ready, students and their parents select a major and along with the school develop a four year career plan which is tailored to each student's needs. The school provides every student (7th-12th) with courses that will prepare them for all state and national assessments. Our goal is to ensure that all students, who graduate from C.E. Murray Middle/ High School, are college and career ready by engaging each student in effective problem solving activities such as Robotics. In May 2015, 94% of our seniors graduated and all graduates completed at least one college application and student FASFA form. In addition, all middle school students enrolled in high school credit and/ or honors courses, as well as, creative writing and accelerated mathematics classes. Middle school students earned high school credits in CATE courses, Algebra I, and English I. Ninety-eight percent of all middle school students were able to advance to their next grade levels. We have fully implemented the HSTW and MMGW comprehensive academic programs and are accredited by AdvanceED until 2017. Since the school is a Race to the Top Carolina Consortium for Enterprise Learners Grant recipient, all students and staff members will receive one- to -one electronic devices. The goal of the grant is to provide the opportunity for students to become Enterprise Learners who will be able to develop, pursue, and attain rigorous learning and living goals that will assist them for college, careers, and citizenship. All administrators and teachers will continue to engage in professional development that will improve their skills in providing engaging and, rigorous personalized standards-based curriculum, project based instruction, and relevant assessments to address the needs of each student. The school has developed partnerships with community base organizations such as Clemson Extension, Francis Marion (Science South Program) and Williamsburg Technical College. The school has consistently received the State Palmetto Gold and Silver medals for academic achievement since 2012. During the 2014-15 school term, C.E Murray High School was recognized by USA News and World Report as one of the best high schools in the nation. The school is in its fourth year of implementing a 21st Century Community Learning Center after school and summer transition grant. The school is also the recipient of the SC HEAP and GEAR UP grants. Several clubs and organizations received numerous commendations

KNOWLEDGE

Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015

Average ACT Score Achieved by Students: Writing

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
N/A	N/A	N/A	N/A	N/A

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.

The ACT is a registered trademark of ACT, Inc.
