South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. South Carolina Connections Academy (SCCA) is an AdvancED accredited, public virtual charter school that opened during the 2008-2009 school year and is authorized by the SC Public Charter School District. SCCA offers a premier online education to students in grades K-12 regardless of where they reside in the state. Our curriculum is aligned to the new South Carolina standards for ELA and Math and meets national and state standards while simultaneously meeting the personal needs of all of our students. Students progress through the program under the guidance of their Learning Coach (typically a parent or guardian) in conjunction with their highly qualified SC certified teachers. Regular interaction occurs via phone, e-mail, in person meetings and LiveLesson sessions. Student work is regularly submitted online for teacher review. Our user friendly Education Management System (EMS) includes; coursework, a daily planner, a grade book, attendance recorder, communication tools, a virtual library, message boards, and supplemental learning programs. The EMS provides all the necessary information needed to successfully learn anywhere with an internet connection. This unique system sets us apart from all other virtual charter schools. SCCA offers accelerated curriculum to Gifted and Talented students in grades 3 through 8 Science, Math, and Language Arts. These students participate in a Literature Study course using the Junior Great Books series. Teachers in our Special Education department serve students according to Individualized Education Plans. Students with 504 plans receive accommodations in the general education setting. Students requiring speech services participate in virtual speech sessions. Occupational Therapy, Physical Therapy, and Speech Services are also provided through contracted, certified providers. Our high school program includes a variety of foreign language courses, Honors and Advanced Placement courses and electives in several career clusters. Some of our students are dual enrolled in local colleges or universities. Our graduation requirements are more rigorous than the state mandates. Notable college acceptances for SCCA students include: Wellesley College, Duke University, UCLA, Furman University, University of South Carolina and Clemson University. To create a sense of community, field trips and face-to-face learning experiences are held statewide throughout the school year. Over 125 opportunities were held during the 2014-2015 school year including museum, zoo and aquarium tours, a Geography and multiplication bee, college tours, a student arts showcase, hands on academic activities, a field day and both a Kindergarten graduation as well as a 12th grade graduation ceremony. Our dedicated faculty and staff continue to provide a personalized education to all students, helping them to master the knowledge and problem solving skills needed to achieve their college and career goals. Amanda Ebel, SCCA Executive Director Jennifer Bailey, SIC Chair
