South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Diamond Hill Elementary School is "A great place to shine" and is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe and family environment. Being located in the middle of the "Nation" community in Abbeville County, family values and pride are ingredients that drive all members of our school family to be the best! The students are truly the heart and soul of our school, and this is shown in the pride they take in their work and the great facility that we have here. In the classroom, our faculty and staff are second to none! The dedication and love that they give to these children will last a lifetime. The former students returning to visit faculty and staff are a testament to that, as well as several former students who chose Diamond Hill as the recipient of their Eagle Scout project. Diamond Hill Elementary School is a rural school with a population of approximately 300 students in grades four-year-old kindergarten through seven. The ethnicity of the school is 89% Caucasian, 10% African American, 1% other. The socioeconomic status of our families is in the range of low to middle income. We have 65% of our students on free or reduced meals. We offer free breakfast to all students, and we are partners with a local church in providing weekend food for any student needing help. This is done in a very discreet manner. Our mission is, "Challenging students everyday to be a shining success in school and in life." Our plan for school wide reform was designed to develop critical thinking skills, integrated communication skills, active student participation in school and community activities, uniqueness of individuals, and lifelong learning. We strive to both strengthen and accelerate student learning in the areas of reading, mathematics, science, and social studies. We offer gifted education for those qualifying and we will implement effective interventions to enhance the daily learning environment for all students, as well as build a positive climate for their success. At Diamond Hill Elementary, we believe that the most powerful learning comes when children develop a true understanding of concepts through higher order thinking associated with various fields of inquiry and self-monitoring of their thinking. With the hard work of faculty, staff, students, and parents Diamond Hill is truly a great place to shine! Todd Ramey, Principal Jenny Ferguson, SIC Chair
