South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by fulfilling the direction of Kennedy Middle School –Students will apply the acquired knowledge and skills to become life-long learners who are productive citizens. KMS fulfills the Profile of the Graduate as evidenced by excellence in service to community, academics, athletics, and the arts. At KMS, service to others is paramount. KMS students participated in several service projects including: Be a Bunny, the MS Walk, Buddy Baseball, Operation Christmas Guild, and the ACTS food drive. The Science Club spearheads a school-wide recycling effort. Academically, teachers are implementing best practices and rigorous standards. KMS extended its foreign language offerings to include Spanish and French. KMS hosted its first multicultural fair. KMS implemented a STEM exploratory class and hosted two after-school STEM nights for the community. A structured reading time is held school-wide daily for 20 minutes. Academic success is evident through recognition of KMS students in the Duke TIP program, Junior Scholars, and success rate on end-of-course tests. KMS excels in the areas of arts and athletics as well. The Honor Band received a superior rating at the Carowinds Festival of Music. Art students won four competitions during 2014-15. The Set Design Crew continues to beautify the school by painting murals in the cafeteria. The Volleyball team was undefeated and won the County championship. The Boys and Girls Basketball teams qualified for the County playoffs. The Guidance Department sponsored Mini Courses which provide students with exposure to different careers and activities. Other programs sponsored by the Guidance Department include Right Choices, Girls Circle, Wise Guys, One Degree at a Time, and a 6th grade meet and greet. Next year, the Guidance Department, in conjunction with the STEM Team, will implement a full advisory program designed to provide an adult mentor for all students. Any school cannot reach its full potential without the support of parents and the community. The KMS PTO led fundraising efforts to provide additional resources for the school, especially technology. Three teachers received SRNS Innovative Teaching Mini Grants and five teachers received the Aiken County Full Circle Technology Grant. With the support of an active PTO and innovative faculty and staff, we will focus on the Profile of the Graduate in the years to come. Whitney Ray, SIC Chair Teresa Mitchem, Principal
