Sedgefield Middle School is a community school that strives to meet the needs of all students by providing them with rigorous and engaging instruction, engaging them in a variety of extracurricular activities, and fostering a positive school climate. The student population of Sedgefield Middle School is large and diverse, with nearly eleven hundred students enrolled in grades six through eight. Academics are a top priority at Sedgefield Middle School, and committed stakeholders share a vision of academic excellence. Teachers work together on a regular basis in Professional Learning Communities in order to analyze data and identify the academic strengths and weaknesses of students, which in turn guides their instructional planning. Students needing extra assistance in core academic areas have the opportunity to enroll in our afterschool tutoring program. In addition, we provide a number of enrichment activities for students. These include: Google CSFirst, BETA, Art, RPG, Anime, Creative Writing, Yearbook, Robotics, and book Clubs. Our students also participate in athletics through Goose Creek High School and the Goose Creek and Hanahan Recreation Departments. This year we began an exciting new partnership with the Lowcountry Food Bank! Through our partnership we were able to provide a hot meal for all students who participated in after-school activities. As our school continues to grow, we will continue to strive for excellence. At Sedgefield Middle, we recognize our responsibility to prepare students to triumph in a competitive world.
