

Sangaree Middle School

1050 Discovery Drive
Ladson, SC 29456

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	6-8 Middle	Principal:	Margaret Day
Enrollment:	784 students	Superintendent:	Mr. Michael Turner
School Phone:	843-821-4028	Board Chair:	Mr. James Hayes
School Website:	http://www.bcsdschools.net/srm		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

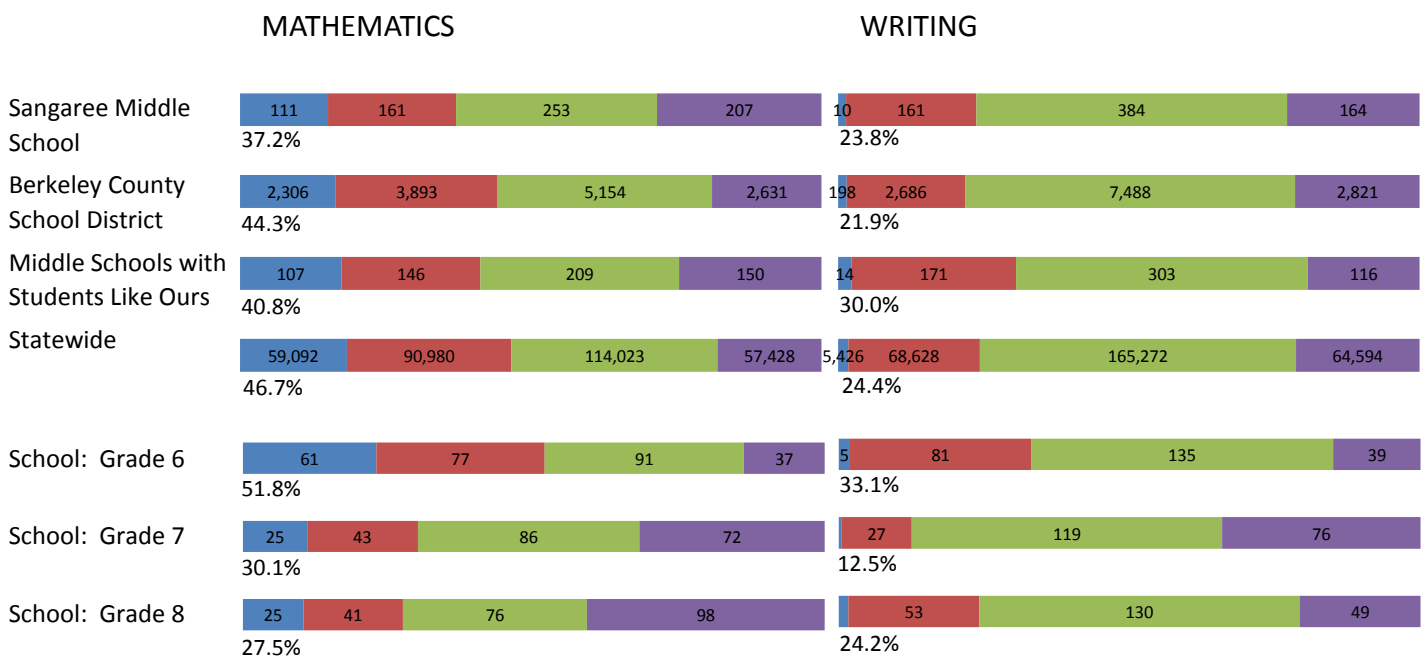

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

We help all students develop world class skills and life and career characteristics of the Profile of the SC Graduate by providing opportunities to excel both in and out of the classroom. By teaching rigorous standards in all content areas, expectations for learning are high. While integrating technology, teachers share the powerful impact technology has on lives and engage students in learning. Mobile device carts provide access; students utilize BYOD policies using personal devices for instruction. Structured use of technology prepares students for world class skills: problem solving, critical thinking, collaboration and team work. Staff members provided training on integration strategies so that students benefit from the use of technology in all curricular areas. Students experienced blended learning environments where content was taught through the use of technology versus traditional lecture approach. Teachers utilized flipped learning strategies. Students accessed on-line content to support standards instruction. Through interactive games, teachers assessed student understanding of key concepts. Using innovative strategies afforded students opportunities to see the benefits of technology. Students participate in STEM-based activities such as Trebuchet and Robotics learning the value of being part of a team and preparing for life beyond classrooms. Teachers strengthened PLCs by refining PLC meeting processes ensuring that students are provided with a rigorous, standards-based program. Using common assessments and defined units of instruction promises a guaranteed curriculum. Collectively analyzing assessment data gave us better understanding of student needs. We continue to enforce policies (No-Zero/Re-Do) so that students understand perseverance and develop a healthy work ethic necessary for life and work. Academics are very important; however, developing students' talents in other areas is also. Our arts programs produce phenomenal results. Band, chorus and strings continue to earn accolades through festival ratings and participation in All County, Region and All State events. Student clubs included Student Council, Book Club, Beta and Run/Walk Club. Student Council was very active hosting our first Veterans' Day Luncheon and supporting the American Red Cross while Beta supported Lowcountry Food Bank. Alongside our community partners, we hosted our 1st community 5K. At SRM, we strive to make learning fun and engaging and work diligently to involve students, families and community in our school. We are instilling skills necessary for world-class citizens! Mrs. Margaret Day, Principal Mrs. Dantesha Sabb, SIC Chair

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
