

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

|                        |   |                        |                      |

**Profile of the SC Graduate**

**World Class Knowledge**

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences\*

**World Class Skills**

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

**Life and Career Characteristics**

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

## **WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS**

*Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

Our school is helping all students develop world class skills and life and career characteristics of the Profile of the Graduate by developing functional academic, self-help and leisure competencies needed for participation in family and community activities. Based on team recommendations, students with severe intellectual disabilities, often accompanied by medical, sensory and motoric challenges, are served either at Washington Center@Hollis or on the main campus. Daily academic instruction with the UNIQUE curriculum is aligned with SC standards, and students in designated grades take the state's alternate assessments. Programs such as: M.O.V.E (Mobility Opportunities via Education); adaptive environmental science; daily living; and, community based training (CBT) support instruction; and, augmentative communication and assistive technology are thoroughly integrated daily. Classrooms are equipped with touch screen computers, iPads, and interactive white boards; and, the web-based OnCourse System facilitates lesson planning.

Students enjoy both on and off campus events, such as Special Olympics, Boo in the School, Valentine Pageant and presentations by drama and music groups. Additionally, classes deliver Meals on Wheels, visit local nursing homes, and prepare and sell meals to staff on Fridays. Students 13 and older participate in weekly Community Based Training trips. Volunteers provide dog therapy, book buddies, holiday gifts, and support for PTA activities such as Parent Night and the annual Walk and Roll fundraiser, while partnerships with local schools provide interactions with nondisabled peers. Parents receive updates from teachers and administrators via emails, classroom newsletters, and personal notes, as well as Facebook and You Tube postings. Additionally, a school newsletter, available in both English and Spanish, and an annual "Report to Parents" are distributed. Friday afternoon telephone messages to families and staff members summarize the week's activities and preview upcoming events. PTA and SIC assist with fundraising, volunteering and advising; and, Washington Center is a training facility for college and university students preparing for careers in education and health services. Staff members, families, and community friends support Washington Center's commitment to providing opportunities for students to explore and develop independent functioning potential and community involvement by individualizing instruction and creating partnerships in the community.

\* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

**KNOWLEDGE**

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
