South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing rigorous standards, providing opportunities for career and college explorations and expectations, and focusing on innovation, critical thinking, collaboration, project-based learning and technology integration. Our efforts have focused on improving achievement for all students with an emphasis on innovation utilizing 21st century tools. Our school received the SC Palmetto Silver Award for closing the achievement gap. Students at Whittemore Park were recognized for many accomplishments during the past year. Four students were recognized as SC Junior Scholars. Sixteen students participated in the Jackson Scholar Mentor Program on the campus of Coastal Carolina University and twenty students participated in the Educational Talent Search Program on the campus of Horry Georgetown Technical College. Over sixty students were inducted into the National Junior Beta Club. Our band, chorus and orchestra programs continued to grow and excel. Fourteen students were named All-County Chorus, eleven students were named All-County Band and one student was named All-County Orchestra. The student and staff leadership team worked with the Quaglia Institute for Student Aspirations to explore ways to further engage the Conway community. A record number of community partnerships were established to support the school's mission. Our students and staff participated in many service projects to assist organizations in our community, state and nation. Our staff members continued to grow professionally by participating in continuous professional development and graduate coursework. Sheila Fry was selected as Teacher of the Year. Three teachers presented at TransformSC and our school's blended learning model was featured in Education Week and Coastal Today publications. Thanks to the generous support of our community, PTO and parents, we were able to provide recognition items for our students. Our staff, PTO, School Improvement Council and administration will remain dedicated to our goal of innovation and excellence. Judy Beard, Principal Jean Burden, School Improvement Council Chairman
