# South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

### WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

*Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

Dear Parents/Guardians and Stakeholders, Black Water Middle School is a fine-arts infused middle school serving a diverse learning community of 680 students in grades 6-8. Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by achieving greatness in academics, the arts, and athletics. Black Water Middle School offers a strong academic program providing students the opportunity to earn high school credit in the following courses: Algebra I, Geometry, English I, and Keyboarding/Computer Applications. Our staff development plan has focused on increasing student engagement using Kagan collaborative structures to promote and develop the self-direction, work ethic, and interpersonal skills of our students. Horry County Schools is committed to developing world class skills and world class knowledge through the implementation of a 1:1 personalized digital learning platform in a blended learning model. Our teachers and students have experienced success with technology tools and digital content using the iPad that include: Achieve 3000, Aleks, Socrative, Edmodo, Achievement Series Assessment Program, Gizmo, Discovery Education, and iTunes University. We continue to drive instructional decisions using data that allows us to provide the very best learning environment for all of our students. For the 2014-2015 academic year, 53% of students met their growth targets in ELA, and 62% of students met their growth targets in mathematics as measured by MAP (Measures of Academic Progress). Our fine arts department continuously performs exceptional work for our school and community, and our students are truly ambassadors for our school. We offer the only middle school dance program in our county which produces 6 evening performances each year. Our fine arts students received a superior rating in theater festival, and 35 superior ratings in Solo and Ensemble Festival for band and chorus. Our Mock Trial, Math Counts, Robotics, Beta Club and National History Day Participants/Teams competed at the regional and state levels this year. Black Water has much to be proud of as our students achieve greatness. The students are the purpose of our work! Our school is a welcoming center focused on exceptional teaching and learning. Thank you for investing in our children and supporting our school, we are eternally grateful. Respectfully,  Candace Lane, Principal  
Jennifer Ennis, SIC Chair

\* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.
