World Class Knowledge – Chapin Middle School has a proud history of academic excellence. We recruit and retain the best teachers possible who are dedicated and focused on the success of each student. We have established a rigorous and relevant curriculum that ensures our students exceed established standards. We offer nine classes that carry Carnegie Credit in subjects such as English, math, technology, and world languages. This year, we celebrate 82 Jr. Scholars and a 100% pass rate on our End of Course Exams. Our performing and fine arts classes receive superior ratings at competitions and festivals throughout our state and nation.

World Class Skills – Our focus is to help students become creators, communicators, critical thinkers and collaborators to be successful in school and compete globally. At Chapin Middle School, classes begin with a Focus of the Day based on standards and student interest and include strategies that foster higher level thinking, active learning and technology. We also offer clubs such as Girls Empowered to Lead, Math Counts, Mock Trial, and Bow Tie Club that enhance world class skills.

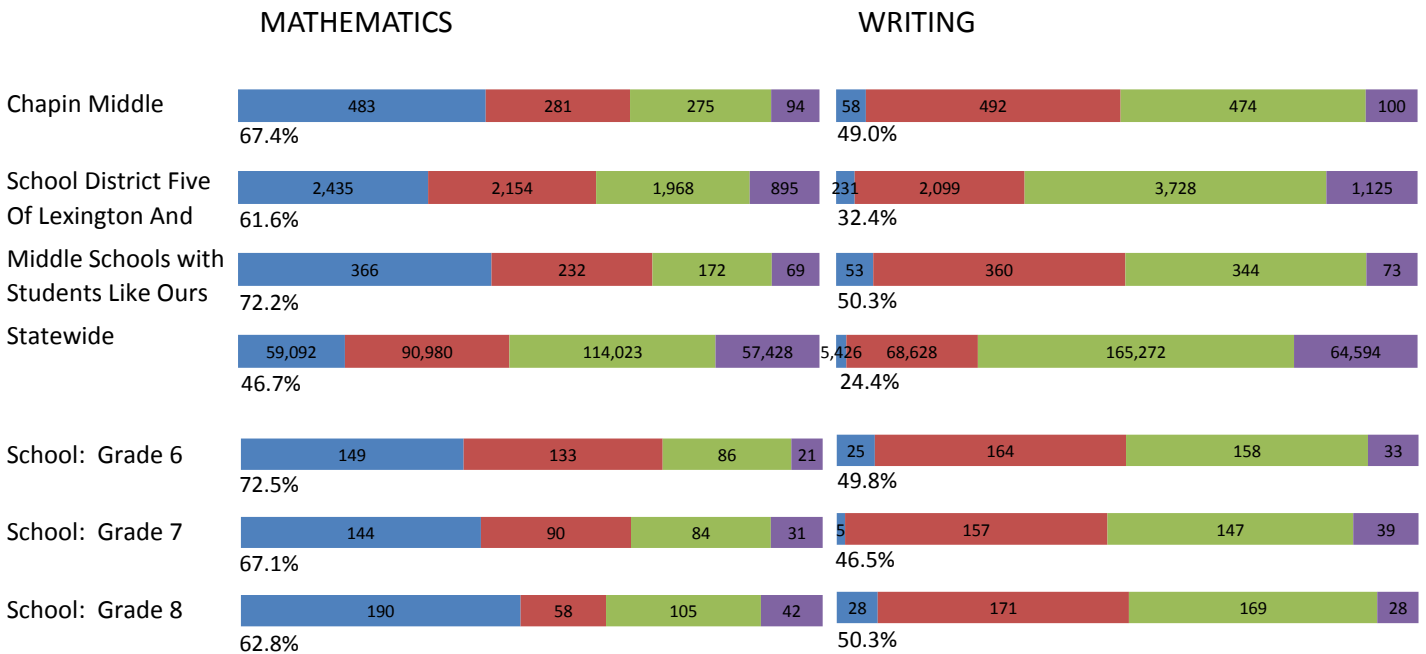

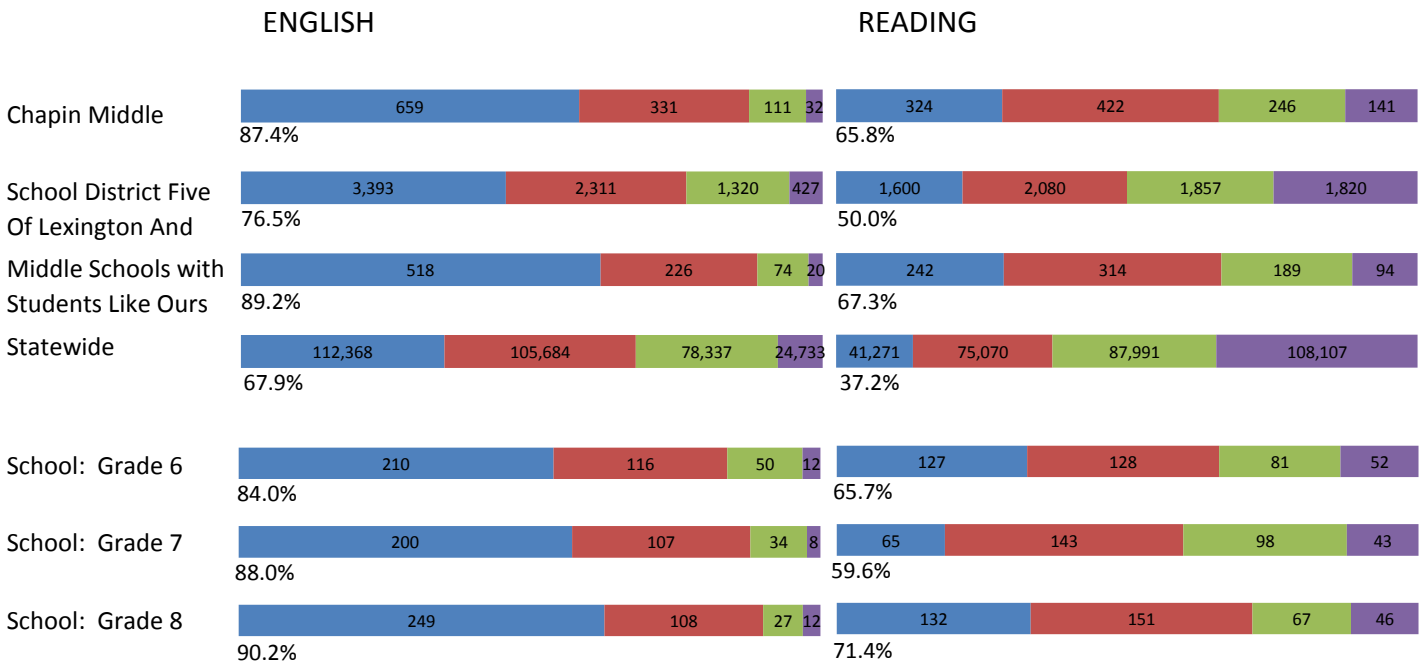

Life and Career Characteristics – At Chapin Middle School our goal is also to provide our students with experiences and programs of study that will help make them good citizens. We know that characteristics taught in school will carry over to their college and career successes. We recognize the integrity, work ethic, and interpersonal skills of our students through efforts such as PBIS, Student of the Month, Awards Day, and Spirit of the Eagle, and we highlight these recognitions through our school assemblies and social media.

Our District motto is “Pursuing Excellence for Tomorrow’s Challenges.” We are very proud at Chapin Middle School to know that we are indeed preparing students for success in school, in the work place, and in life.
