South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by providing a high quality education that consist of high rigor in a small rural environment where children are more than a number. Branchville High School (BHS) serves the Branchville area of Orangeburg County as a 7-12 school with an approximately 294 student body located in a rural setting. The faculty and staff of BHS is made up of dedicated individuals who have high expectations for all students to learn and grow in a positive, safe and warm educational environment. We believe all students can learn and that parents should be involved in the education of their children. Our goal is to educate students who will be prepared to either excel in post-secondary education, be productive in the workforce, and become lifelong learners. Branchville High School has had many academic successes this year. We saw gains in our 2014-2015 End of Course test scores in Algebra 1, and Biology. Branchville High School had 78% of the 2014-2015 senior class accepted into post-secondary education with 45% of the class eligible for the Life Scholarship. This year South Carolina has removed the HSAP test and now 11th grade students will be taking the ACT test and Work keys. The high school students with the assistance of the 5th graders put on Aladdin, under the direction of Mrs. Toni Ott. Branchville Middle School had an absolute rating of Average for the 2014-2015 school year, but did see some gains made on the PASS Science scores from the previous year. This year Middle School Math and ELA state testing will be replaced by the ACT Aspire test.

In sports BHS captured the region championship in Volleyball, Baseball, and Softball. Furthermore, BHS had it's first every wrestling team. The two mottos that we, at Branchville, believe in is "Only the Best at BHS" and "Branchville is a Rayl Rode School (RRS) Respect, Responsibility, and Safety". BHS must provide students with academic rigor, relevance, relationships, and fun to be successful for the future. Through the combined efforts of students, parents and teachers, Branchville High School strives to help all students reach their full potential. We encourage all students to build positive memories while preparing to be productive citizens for the future.

We thank you for your continued support.
