South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

At E. P. Todd School, we continue to strive for excellence as we work together within our school, families, and community to develop productive citizens who are responsible, organized, academically strong, and respectful. In doing so, we are committed to helping all students develop the World Class Knowledge, Skills and Life and Career Characteristics of the Profile of the South Carolina Graduate.

Throughout the year, students have opportunities that promote World Class Knowledge skills. Students in grades K-8 participate in a foreign language program including French, Spanish, Latin, and Chinese. Furthermore, Chinese students visit middle school students as part of the district Exchange program with China. Teaching practices are strengthened through ongoing professional development to foster rigor in the classrooms. To further enhance instruction, all students in grades 3-5 have iPads, and all students in grades 6-8 have MacBooks. Our Montessori program supports inquiry based learning. Todd Ambassadors have the responsibility of providing hospitality to our visitors, while leaning about servant leadership. Student Council and School Advisory Council provide opportunities for students to collaborate about ideas for school improvements.

As a K-8 school, we work to bridge a community of learners by implementing various learning experiences, which expound on World Class Skills. Our middle school students create literature for elementary students using technological applications, assist with stage scenery for the musical productions, and aid teachers and younger students as part of the Helping Others class. To heighten critical thinking, students conduct research projects as early as first grade. In addition, students of various ages assist with the morning announcements each morning to strengthen oral communication skills.

Programs such as Adopt a Highway, Healthy Shopping, Wofford College mentoring, and the Positive Behavior Intervention System, R.O.A.R. (responsible, organized, academic, respectful) are used to promote Life and Career Characteristics. Students are recognized on a regular basis by their teachers and during R.O.A.R. assemblies and Tiger Tailgates for the aforementioned R.O.A.R. components.

During the 2014-2015 school year, these school-wide efforts supported our directive of developing World Class Knowledge, Skills and Life and Career Characteristics for our future South Carolina Graduates. Our ongoing goal is for E.P. Todd students to become members of an educated workforce in the world's global society.
