South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

York Middle School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by focusing on the four key pillars of our academic program. These core principles are data driven decision making, literacy, extra time/extra help and technology.

Formative and summative assessment data is used to provide our students with the most complete and effective instructional program possible. York Middle School teachers received STEM training this year and look forward to implementing a STEM model. York Middle understands the importance of literacy and has established a schedule that allows for reading time on a daily basis. Our media center sponsors a reading tailgate to encourage reading. This school year, York Middle initiated a "Reading Buddies" program in with our neighboring elementary school. A dedicated group of avid readers partnered with kindergarten students and read with them twice a week. Extra time and extra help was provided to our students through the dedicated effort and determination of our staff. Teachers made themselves available before and after school to assist students.

York Middle School grew exponentially in our technology effort this year. The school purchased iPads for each faculty member and our staff received monthly training on using iPads in the classroom. This technology emphasis inspired the purchase of new iPad carts to equip each of our content/grade level teams next year.

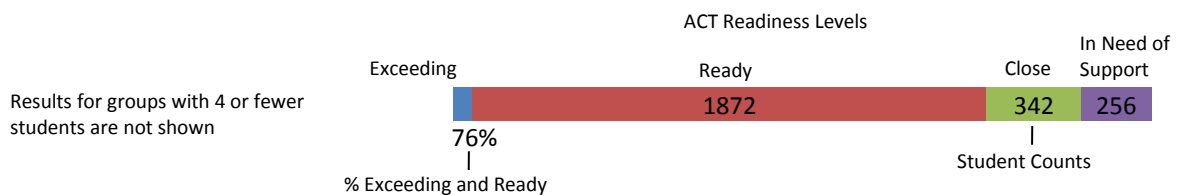

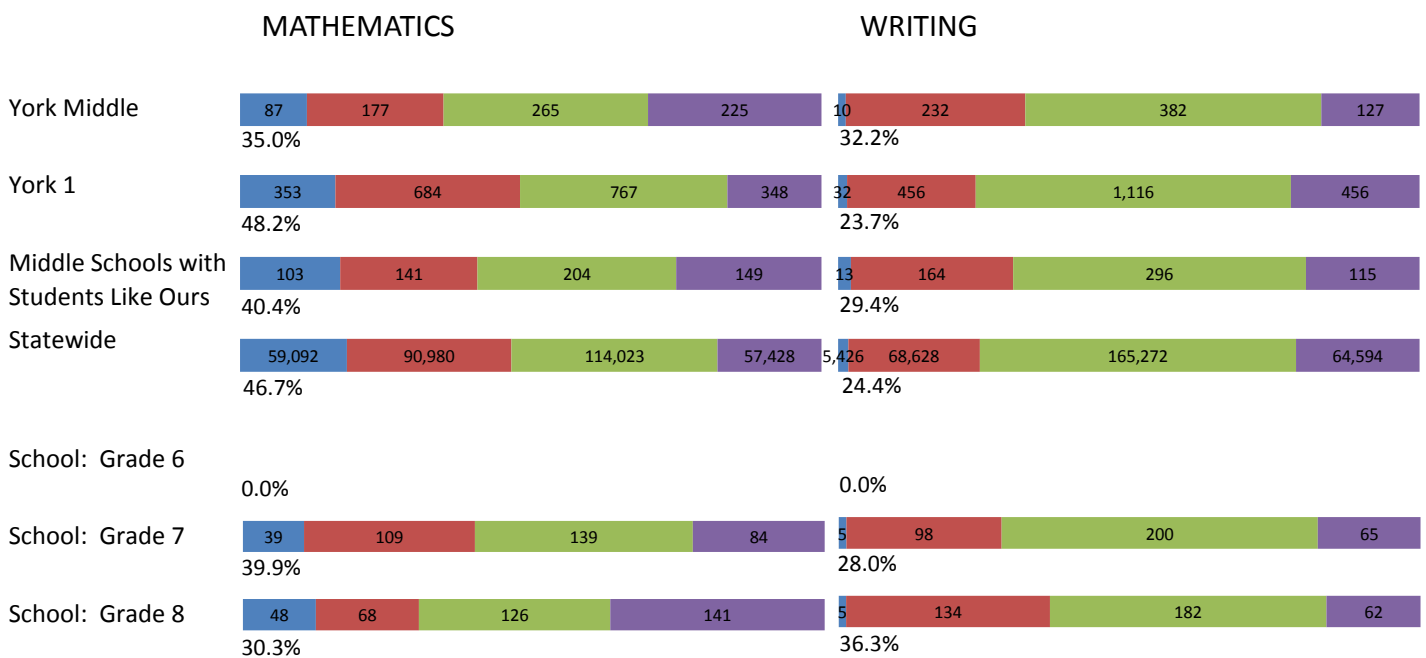

York Middle School was named a SC SRTS Bronze partner. We were named to the Lifesaver's Club by the Leukemia and Lymphoma Society and awarded a Bronze status by the American Cancer Society's Relay for Life. York Middle had 17 students qualify for SC Junior Scholars and inducted 20 students into the National Junior Honor Society. York Middle School students excelled in and out of the classroom. Our 8th grade girls basketball team claimed the York County Western Division championship while our girls softball team wrapped up another perfect season culminating in winning the 2015 YCMSAC Championship. YMS Chorus was named the Grand Champion of the Time to Travel Music Festival and our band named 5 students to the SCBDA Honor Band. In the eighth grade, there were 25 perfect scores Algebra One I and 25 perfect scores in English I on End of Course exams in the spring of 2015.

At York Middle School, we prepare our students for life beyond our doors. We coordinated a vehicle career fair, job shadowing day, college door decorating contest, astronomy night, art exhibit and STEM inventors fair.

York Middle School is a special place where each day we build the foundation for tomorrow by sparking potential and inspiring success. Students leave our care as individuals that possess world class skills and life and career characteristics. We send our students off with the confidence to be successful in high school studies and beyond.
