South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades: 6-12 Middle

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Calhoun Falls Charter School is ensuring that all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by fulfilling its mission to "provide a safe and supportive learning environment where students are actively engaged in the educational process and develop strong leadership qualities." We demonstrate our mission by challenging our students with data-driven instruction and research-based practices, while providing relevant professional development opportunities for our instructors. CFCS's academically challenging learning environment has produced the following awards and recognitions: "America's Best High School" (U.S. News and World Report); three consecutive "A" ESEA grades; three consecutive "Excellent" ratings on the SCDE School Report Card; and two consecutive Title I Reward School recognitions. Much of this success is a result of the consistent use of research-based strategies, programs, and resources such as Study Island, Tests for Higher Standards, Write to Learn, MAP, and ICU. To better prepare students for the 21st Century, CFCS continues to focus on upgrading technology to provide students additional opportunities to enroll in on-line classes through GradPoint, Piedmont Technical College, and Lander University. CFCS ensures world class knowledge and skills by offering opportunities to earn associates' degrees through the Abbeville Career Center, along with Dual Enrollment credit through partnerships with Lander University and Piedmont Technical College. As a result, 3 of our 26 graduates earned their diplomas in three years. The graduating class also earned 174 FREE college credit hours and 16 Life Scholarships. Rigorous college preparatory and honors classes, along with dual enrollment opportunities, allowed the 2015 graduates to earn a total of \$482,388 in scholarships. Life and career characteristics are reinforced through the CFCS Character Education and Service Learning programs. CFCS students volunteered 7,903 service-learning hours during the school year, developing and improving skills and character traits such as integrity, work ethic, perseverance, and interpersonal skills. At CFCS, we are proud of our accomplishments and excited about the future. With the continued support of parents, community members, and business partners, we will continue to be a "School of Excellence." Mr. Keith Ashley, Board Chair Principal, Deirdre McCullough
