South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Berkeley Elementary School offers our CDEP through second grade students an excellent environment for learning and growing. We are helping all students develop the world class skills and life and career characteristics of the Profile of the SC Graduate by providing a safe, caring, and academically challenging learning environment. Through the full implementation of the Berkeley County School District Curriculum Units in English Language Arts and Writing, Math, Science and Social Studies, we challenge our students with best practices to reach their full potential. Our teachers are provided continuous professional development through the Professional Learning Communities model that is embedded in our school day. Teachers also enrich instruction with classes from local colleges and BCSD professional development opportunities. In addition, nine teachers attended state conferences in a variety of content areas. We respond to the needs of our students providing all student MTSS opportunities. By enrichment or intervention activities in reading and or math we are committed to providing immediate response to student needs. In our MTSS period students receive assistance based upon their progress monitoring. This ranges from small group direct instruction, to computer assisted instruction, to independent or group projects. Students participate in school and community programs that enhance development and promote citizenship. These programs include Kiwanis "Terrific Kids" character education, Berkeley County Kids Who Care ecology awareness, Maestro Club, and various community art shows. Students receive mentoring from volunteers through our major business partner Santee Cooper and also through the Berkeley High School Teacher Cadet Program. Parents and the community are an integral part of the school and serve on the PTO and the School Improvement Council (SIC) and Title I Advisory Team. These groups meet throughout the school year to review annual goals and make needed changes for improvement.
