

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Midland Park Primary School is helping all students develop the world class skills and life and career characteristics of the Profile of the SC Graduate by providing a safe, nurturing and caring learning environment for our students. Our mission is to help each child reach his or her maximum potential and prepare every individual for future experiences. Our school goals are to increase student achievement and enhance literacy; to provide a school climate and environment that is safe and supports the learning process; and to improve communication throughout the school community.

Our primary focus is to actively engage students in order to close the achievement gap and build a solid foundation preparing students for on-time graduation. We have two Master Reading teachers and one associate reading teacher who work with approximately 60 first graders and two interventionists who work with about 50 kindergarteners. In addition, we focused on increasing parental involvement, increasing school-to-home interactions, and enhancing classroom instructional strategies through ongoing professional development. All of our classrooms are equipped with integrated SmartBoards and document cameras.

Teacher teams met weekly to discuss the standards, instructional teaching practices, and data gained from sources such as Common Assessments, Measures of Academic Progress, Dynamic Indicators of Basic Early Literacy Skills, established SMART goals, and refined Instructional Calendars. Our MTSS Team provided the guidance and framework for our Response to Interventions. Opportunities for parental involvement were established through the continuation of family nights, PTO events, Parent Literacy Events, and Math Make and Take Workshops. Communications were sent home in both English and Spanish to inform all parents of school activities. This was facilitated by our school translators.

Our parents are always welcome and are often seen volunteering throughout the school. Our positive school climate allows our children to feel safe in a nurturing environment where they can reach their full potential. We continue to make daily decisions based on data. Our high expectations have resulted in exemplary performances from our teachers and students. We are part of the district BRIDGE grant, which provides us the opportunity to accelerate our work and deliver on the goals outlined in Vision 2016. We are excited about our accomplishments and look forward to continued success at Midland Park Primary, where "Excellence is Our Standard."
