

Electronics Technology Equipment List

1. Benches, Electronic
2. Box, Breakout
3. Computer with Simulation Software (One Per Student)
4. Counter, Frequency
5. Drill Press (If Funding Available)
6. Drill, Electric - Hand
7. Drill, Power
8. Generator, Function, Signal
9. Multimeters, Digital and Analog
10. Oscilloscope
11. Probe, Current, Logic
12. Sets (e.g., bit, drill files, hand tools, nut driver, pliers, screw drivers, sockets)
13. Soldering/Desoldering System
14. Source, Power, DC and AC
15. Trainers, Electronics
16. Wrenches
