**ORDER OF SUSPENSION
(Failure to meet ADEPT Requirements)**

SUMMARY OF THE CASE

The South Carolina State Board of Education (State Board) considered this matter on August 12, 2015. On June 1, 2015, the South Carolina Department of Education's (SCDE) Office of Educator Evaluation sent Ms. Jan M. Steele notice of her failure to meet the requirements of her ADEPT formal evaluation via regular and certified mail. The notice letter sent via regular mail was not returned to SCDE. On July 23, 2015, the SCDE's Office of General Counsel sent Ms. Steele follow up correspondence advising her of the date, place and time the State Board would meet and that action would be taken against her certificate. Ms. Steele did not notify the SCDE that she desired to attend the State Board meeting. Pursuant to S.C. Reg. 43-58 (2011), S.C. Reg. 43-205.1 (2011), and the ADEPT System Guidelines (2006), a second unsuccessful ADEPT formal evaluation at the annual-contract level requires that Ms. Steele's South Carolina teaching certificate be automatically suspended for a minimum of two years. After considering the information presented by the SCDE, the State Board voted to suspend Ms. Steele's certificate for a minimum of two years, beginning August 12, 2015, and ending August 11, 2017.

FINDINGS OF FACT

Ms. Steele holds a South Carolina educator certificate and has over six years of teaching experience. The Lexington County School District One's annual ADEPT report to the Office of Educator Evaluation indicated that Ms. Steele was unsuccessful in meeting the requirements of her ADEPT formal evaluation for the 2014-2015 school year. This was Ms. Steele's second unsuccessful ADEPT evaluation at the annual-contract level.

On June 1, 2015, the SCDE's Office of Educator Evaluation sent Ms. Steele notice of her failure to meet the requirements of her ADEPT formal evaluation for the second time via

certified mail. The notice letter sent via regular mail was not returned to SCDE. On July 23, 2015, the SCDE's Office of General Counsel sent Ms. Steele follow up correspondence advising her of the date, place and time the State Board would meet and that action would be taken against her certificate. Ms. Steele did not notify the SCDE that she desired to attend the State Board meeting.

CONCLUSIONS OF LAW

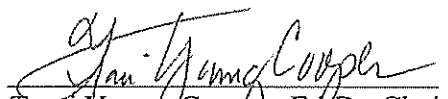

The State Board will automatically suspend for a minimum of two years the certificate of an annual-contract teacher who for the second time fails to meet ADEPT formal evaluation criteria. S.C. Code Ann. § 59-5-60 (2004); S.C. Reg. 43-58 (2011), S.C. Reg. 43-205.1 (2011). The State Board finds that sufficient evidence has been presented supporting its conclusion that Ms. Steele failed to meet the ADEPT formal evaluation criteria for a second time, warranting the suspension of her certificate for a minimum period of two years, commencing on August 12, 2015, through August 11, 2017. An "ineligible for hire" indicator will be placed in Ms. Steele's certification file with the Office of Educator Evaluation and will not be removed prior to August 11, 2017.

Before reentry into the profession and removal of the suspension, Ms. Steele must complete a state-approved remediation plan based on the area(s) that were identified as deficiencies during the formal evaluation process. Remediation plans must be developed and implemented in accordance with the State Board's ADEPT implementation guidelines. Following the minimum two-year suspension period and the completion of the remediation plan, as verified by the Office of Educator Evaluation, Ms. Steele's educator certificate suspension will be lifted and Ms. Steele will be eligible for employment at the annual-contract level. All fees and eligibility requirements that are in effect at the time of Ms. Steele's reapplication will apply.

AND IT IS SO ORDERED.
