

BEFORE THE SOUTH CAROLINA STATE BOARD OF EDUCATION

In the Matter of the
Disciplinary Action of the
Educator Certificate of
Andrew Dock
Certificate 906265

Order of Summary Suspension

SUMMARY OF THE CASE

The State Board of Education (State Board) considered this matter on January 30, 2025. In accordance with S.C. Code Ann. § 1-23-370(c) (2020), § 59-5-10 (2020), and State Board Rule of Governance BBABA, the South Carolina Department of Education (SCDE) requested that the Chair of the State Board summarily suspend the educator certificate of Andrew Dock, educator certificate 906265, as a result of his arrest on thirteen counts of felony torture/ill treatment of animals and one count of felony criminal conspiracy.

The SCDE has reason to believe that, due to the serious nature of these allegations of misconduct, Mr. Dock may pose a threat to the health, safety, and welfare of students, who may be under his instruction and that emergency action is required. After considering the evidence presented by the SCDE, the Chair of the State Board finds that Mr. Dock's educator certificate shall be summarily suspended until a due process hearing is held and/or this matter is otherwise resolved. The SCDE is directed to serve notice on Mr. Dock of the summary suspension, as well as the possible suspension or revocation of his educator certificate.

FINDINGS OF FACT

Mr. Dock holds a South Carolina educator certificate and has over three years of educator experience. At the time of his arrest, Mr. Dock was a teacher for the Charleston County School District (District). The District notified him of his dismissal on December 19, 2024.

According to arrest warrants, on September 25, 2024, it is alleged that Mr. Dock and another actor agreed that they would enter a property and poison a cat colony. On October 4,

2024, Mr. Dock and his co-conspirator placed plates of tuna fish laced with pesticide and supply water laced with fungicide, with the express intent to kill the felines, knowing that ingestion of these substances would cause an agonizing death. Thirteen cats and multiple other wildlife were killed as a result of Mr. Dock's conduct.

The SCDE has reason to believe that, due to the serious nature of this allegation of misconduct, Mr. Dock may pose a threat to the health, safety, and welfare of students who may be under his instruction, and that emergency action is required. After considering the evidence presented by the SCDE, the Chair of the State Board finds that Mr. Dock's educator certificate shall be summarily suspended until a due process hearing is held and/or this matter is otherwise resolved. The SCDE is directed to serve notice on Mr. Dock of the summary suspension, as well as the possible suspension or revocation of his educator certificate.

Pursuant to S.C.
