BUS SAFETY

Code **EDC**

Issued **12/10/76**

Revised **4/8/92**

Constitutional and Statutory Provisions:

All school buses must comply with statutes plus regulations of the State Board for marking, use of warning signals, operation, maximum speeds and stopping. (See §59-67-10, et seq., South Carolina Code.) The State Department of Public Safety periodically checks the operation of school buses. (See §§59-67-260 and 59-67-270, South Carolina Code.) (See also Title 56, Chapter 5, South Carolina Code for State Highway Department, provisions pertaining to school buses.)
