

LONG-RANGE PLANNING CONSULTANTS/ARCHITECT

Code **FDAA/FDAB** *Issued* **4/8/92** *Revised*

Constitutional and Statutory Provisions:

The State Board of Education may employ architects, consultants and sufficient personnel to assist the county boards of education in preparation of capital improvement or tax relief surveys required in §§59-21-360 and 59-21-390, South Carolina Code. The selection of the consultant must be in accordance with the provisions of §1-35-3220, South Carolina Code.

(See Annual Appropriations Act for approval of consultant services contracts by the State Budget and Control Board.)

State Board Rule:
