Jan. 10, 2023–May 10, 2023= 120 days. Effective Date of Regs: May 26, 2023

Revised 4/29/2022

The LC goes into session the 2nd Tuesday in January (1/10/23) and the session will end on the 2nd Thursday in May (5/11/23). A regulation has to “toll” for 120 calendar days (count begins on day after session opens) to become effective, if it won’t make the 120-days, it has to be approved by a Joint Resolution. Jan. 11–May 10 @ 5 PM = 120 days (May 11 is the 121st day). Once the regulations are published on May 26, 2023, they become “Effective”. That is the date that appears on the regulation when it is published on the [SBE regulations web site](#) when I add the new regulation to the page. If a regulation is approved by Joint Resolution, the Effective Date becomes the date the Governor signs it or the 5th day after he doesn’t sign it. Confused, yet?
