The “Subject Material” listed above is reviewed by the IMRC “of its own volition and on its own initiative” in order to “make determinations regarding the educational suitability or the Age or Developmental Appropriateness of specific Instructional Materials pursuant to the criteria and requirements of” Reg. 43-170(VI)(B). As further described below, this Regulation authorizes the STATE BOARD to take certain actions related to Instructional Material. The South Carolina Department of Education (“Department”) recommended removing the Subject Material entirely from South Carolina’s public schools.

The Department notified the public of this matter via posting hearing information and the hearing agenda on its website on October 24, 2024. Consistent with governing requirements, the public was invited to sign up in advance of the hearing in order to provide comment regarding the Subject Material. C. Code Section 1-23-310 et. seq. The State Board’s Rule of Governance was designed and adopted to provide a full and fair process for Instructional Material reviews under Reg. 43-170.

APPEARANCES

On Behalf of South Carolina Department of Education:
Robert D. Cathcart, III, Esq., Policy and Legal Advisor

Based on a review of all public comments (in person and written), the Subject Material and/or excerpts in question from the Subject Material, all documentation provided by the Department, and all comments made by those appearing before the IMRC, we make the following findings of fact and conclusions of law.

FINDINGS OF FACT

1. The Subject Material was questioned during the Public Comment period of the promulgation of Regulation 43-170 or otherwise brought to the State Board's attention.
2. The Subject Material has been listed in public school catalogs in South Carolina.
3. The Subject Material contains the content listed and described in Exhibit A¹.

APPLICABLE LAW

1. Regulation 43-170 authorizes the State Board to take certain actions related to Instructional Material. The State Board can (1) remove the Subject Material entirely, (2) discontinue use of the Subject Material for any grade level or age group for which such use is inappropriate or unsuitable, (3) limit the Subject Material's availability to a student where the school district has received the consent of the student's parent, or (4) permit the continued use of the Subject Material for all grade levels or age groups.
2. Regulation 43-170 defines "Instructional Material(s)":

"Instructional Material(s)" means materials used in a South Carolina K-12 public school classroom, made available in a public school library/media center, or included on a public school's reading list, whether adopted and/or purchased from the state-adopted instructional materials list, adopted and/or purchased through a district instructional materials program, or otherwise purchased, donated to the school, or made available to students through other means, including but not limited to digital platforms. See S.C. Code Ann. Section 59-19-10. The term "Instructional Materials" as used herein includes any collection of books or materials purchased, acquired, or kept on public school grounds by any teacher or other public-school employee and made available to students, regardless of how or by whom such materials are acquired or purchased.

Reg. 43-170(I)(A).

3. Regulation 43-170 defines "Age and Developmentally Appropriate":

"Age and Developmentally Appropriate" means topics, messages, materials, and teaching methods suitable to particular ages or age groups of children and adolescents, based on developing cognitive, emotional, and behavioral capacity typical for the age or age group. Instructional Material is not "Age and Developmentally Appropriate" for any age or age group of children if it includes descriptions or visual depictions of "sexual conduct," as that term is defined by Section 16-15-305(C)(1).

4. Regulation 43-170 authorizes the State Board to establish "a committee comprised of at least five of the State Board's members... [and to] conduct a public meeting" consistent with the Regulation's requirements. Reg. 43-170(IV)(E). Furthermore, it requires the committee to "provide a report and recommendation to the full State Board to be considered and either adopted or rejected by the State Board at its next regularly scheduled meeting." *Id.*

¹ Exhibit A contains excerpts which are representative of questionable or violative material contained in the Subject Material. The IMRC's review, report, and recommendation is not limited to the excerpts listed on Exhibit A.

Report and Recommendation
Normal People

5. Regulation 43-170 authorizes the State Board to review material “of its own volition and on its own initiative” in order to “make determinations regarding the educational suitability or the Age or Developmental Appropriateness of specific Instructional Materials pursuant to the criteria and requirements of” Reg. 43-170(VI)(B).

RECOMMENDATION

Having carefully considered all public comments (in person and written), the Subject Material and/or excerpts in question from the Subject Material, all documentation provided by the Department, and all comments made by those appearing before the IMRC, we unanimously find that the Subject Material includes descriptions of “sexual conduct” as that term is defined by S.C. Code § 16-15-305(C)(1). While the IMRC’s review of the Subject Material is not limited to Exhibit A, the excerpts contained therein establish a clear violation of the regulation. Therefore, the Subject Material is not Age and Developmentally Appropriate as defined by S.C. Code Reg. 43-170 and must be removed entirely from all public schools in South Carolina.

The IMRC recommends that, considering all the circumstances Normal People by Sally Rooney be removed entirely from all public schools in South Carolina, beginning on the date of the signing of an Order by the South Carolina State Board of Education.

Excerpts

p. 100*: He likes to get very deep inside her, slowly, until her breathing is loud and hard and she clutches at the pillowcase with one hand. Her body feels so small then and so open. Like this? He says, and she's nodding her head and maybe punching her hand on the pillow, making little gasps whenever he moves.

p. 103*: For some reason, and he can't explain it to himself, he thinks maybe he could fuck Peggy in front of Marianne, although it would be awkward, and not necessarily enjoyable.

p.107*: She was having cramps and she said it might hurt to have sex, so he just touched her until she came.

p. 135-136*: She got the top button undone and he told her that he was really drunk, and maybe they should stop. She put her hand inside the waistband of his underwear and said it was okay, she didn't mind. He thought he would probably black out then, but he found he couldn't. He wished he could have. He heard Paula saying: You're so hard. That was an especially insane thing for her to say, because he actually wasn't.

p. 143*: Early in their relationship, without any apparent forethought, she told him she was "a submissive." She was surprised even fearing herself say it: maybe she did it to shock him. What do you mean? He asked. Feeling worldly, she replied: You know, I like guys to hurt me. After that he started to tie her up and beat her with various objects... when it happens her brain simply goes empty, like a room with the light turned off, and she shudders into orgasm without any perceptible joy.

Staff Recommendation
