This document may contain multiple messages, each separated by a break line for clarity.

2026-27 WIN Update:

Please see the following message from WIN regarding the 2026-27 South Carolina Career Readiness Assessment Test Administration:

The South Carolina Department of Education (SCDE) and WIN Learning are pleased to announce that the same legacy test form used in the most recent SC Career Readiness Test administration will also be used for the Fall 2026 and Spring 2027 administrations.

This approach is intended to support consistency across testing cycles and help ensure results can be compared reliably from one administration to the next.

If you have any questions regarding the SC Career Readiness Test, please reach out to David Trombly (dctrombly@ed.sc.gov).

KRA Informational Webinar for School Principals

Kindergarten Readiness Assessment (KRA) Informational Webinar for School Principals and Administrators are invited to join the team from KRA on Tuesday September 15, 2026, 1:00-2:00 pm for a webinar designed specifically for school administrators to explore KRA and its role in supporting kindergarten instruction and school-wide planning. Please see the attached flyer for additional information and reach out to Meghan Walters-Branham (mgwalters@ed.sc.gov) with any questions.

2026-27 ACT/SAT Retake Funding

SCDE will have funding available during the 2026-2027 school year to pay for seniors to retake one college entrance exam (ACT or SAT). Seniors do not have to retake the same exam they took during the Spring 2026 test window but can choose whichever exam they wish to take.

Please reach out to David Trombly (dctrombly@ed.sc.gov) with any questions.
