

South Carolina Kindergarten Readiness Assessment

2025 Data Manager/District Test Coordinator Training Information

The Kindergarten Readiness Assessment (KRA) is a developmentally appropriate measure of school readiness, administered at the beginning of the school year. **Data managers** and **district test coordinators** are responsible for uploading teacher, student, and enrollment data into the system.

Training Opportunities

Training	Date/Time	Location
Data Manager Training Part A: Teacher Data This 1-hour virtual training is intended for new and returning data managers and district test coordinators. It provides essential guidance on preparing and uploading teacher data to ensure successful participation in KRA teacher trainings. This training will be recorded.	Monday, June 9, 2025 9:30am-10:30am	Zoom Link
Data Manager Training Part B: Supporting KRA Administration This 1.5-hour virtual training is intended for new and beginner data managers and district test coordinators. It provides step-by-step instruction on uploading teacher, student, and enrollment data to support teacher access to professional development and successful administration of the KRA. This training will be recorded.	Tuesday, July 29, 2025 1:00pm-2:30pm	Zoom Link
Drop-in Support Sessions These informal, office-hour-style sessions offer data managers and district test coordinators an opportunity to ask questions related to KRA technologies and data upload processes. No formal training content will be presented, and sessions will not be recorded.	Tuesday, August 5, 2025 3:00pm-3:30pm Tuesday, August 19, 2025 3:00pm-3:30pm Tuesday, September 23, 2025 3:00pm-3:30pm	Zoom Link
