

Meaningful Scaled Score (MSS) Benchmarks

Early Literacy+ Screening

The myIGDIs Early Literacy+ Screening measures are intended for use with children in preschool, the year before kindergarten.

- Benchmarks
 - **Tier I:** Strong Progress --- scores in this range indicate the child is understanding the task successfully.
 - **Cut Range:** Moderate Progress --- scores in this range indicate more information is needed to be gathered in order to determine Tier Status.
 - **Tier II/III:** At-risk Progress --- scores in this range indicate the child may be developmentally at-risk. Further instructional/intervention support should be offered.

See **Meaningful Scaled Score Benchmarks** below.
