South Carolina Career Readiness Assessment – WIN Learning
Agreement to Maintain Test Security and Confidentiality
For District Test Coordinators and School Test Coordinators

Test security is essential to obtain reliable and valid scores for accountability purposes. Accordingly, the South Carolina Department of Education (SCDE) must take every step to assure the security and confidentiality of the state test materials. District Test Coordinators (DTCs) and School Test Coordinators (STCs) must provide appropriate training for all personnel involved in testing so that they have a common understanding of test security and appropriate testing practices.

The Test Administration Manual (TAM) for each assessment program provides detailed test security information, administration guidelines, and administration directions. Test administration manuals and/or other appropriate instructions must be distributed to testing personnel prior to testing so that STCs, Test Administrators (TAs), and monitors will have the opportunity to read the TAM to become familiar with test security laws, regulations, and procedures, as well as their responsibilities within the classroom.

DTCs must review test security policies and procedures with the STCs and require them to read all appropriate materials and documents provided to them. DTCs and/or STCs must review test security policies and procedures with all TAs, monitors, and any other personnel in the school who will be handling test materials. STCs must require TAs and monitors to read all sections of the TAM, and all appropriate materials and documents provided to them.

As DTC or STC, I acknowledge that I will have access to tests that are a part of the South Carolina Career Readiness Assessment published by WIN Learning.

As DTC, I acknowledge that I have distributed TAMs to the STCs prior to testing and have required each STC to read all sections of the TAM.

As DTC, I acknowledge that I have provided a comprehensive training for all STCs that included a discussion of test security policies/procedures and test administration procedures as outlined in the TAM.

As STC, I acknowledge that I have distributed TAMs to the Test Administrators (TAs) and the monitors prior to testing and have required each person involved with testing to read all sections of the TAM.

As STC, I acknowledge that I have provided comprehensive training for all individuals involved in administering or monitoring the test and/or handling test materials. I further acknowledge that the training provided to the individuals included a discussion of test security policies and test administration procedures as outlined in the TAM.

I acknowledge that it is my responsibility, as DTC or STC, to follow all state laws and regulations regarding testing ethics and test security.

I acknowledge that I have read the test security laws, regulations, procedures, and other appropriate information provided to me regarding test security and my testing responsibilities.

I acknowledge that it is my responsibility, as DTC or STC, to follow all testing procedures as outlined in the test administration manual, the administration directions manual, and other documents that may be provided to me by the SCDE.

I understand the tests are secure, confidential, and proprietary documents owned by WIN Learning.

I hereby agree that I will not discuss, disseminate, describe, or otherwise reveal the contents of the tests to anyone.

I will not give examinees access to test questions prior to testing or make answer keys available to examinees.

I will not coach, help, or assist examinees in any way during testing; nor will I alter or interfere with examinees' responses in any way.

I will not keep, copy, screenshot or reproduce in any manner inconsistent with the instructions provided by or through the SCDE any part of any secure test materials, including tests, test questions, test content, oral administration scripts, and examinees' responses.

I will return all secure test materials (including, but not limited to, test booklets, answer documents, oral scripts, CD ROMs, signed administration scripts or videos) to the DTC or to the contractor, by the required dates.

I will not participate in, direct, aid, counsel, assist in, encourage, or fail to report any of the acts prohibited in the test security laws or this affidavit.

I understand that failure to follow these laws, regulations, or procedures could result in action being taken against my certificate and/or criminal prosecution.
