

WIDA ACCESS for ELLs Online for Test Administrators

One 90-Minute Webinar
December 9, 2024; 2-3:30 pm
<https://uwmadison.zoom.us/j/95423614061>

Audience: This webinar is designed for test administrators of ACCESS for ELLs Online.

Description: This webinar is an overview that highlights the features of ACCESS for ELLs Online, requirements and resources for training, and identifies the responsibilities of a test administrator. It is not a replacement for the ACCESS for ELLs Online test administrator training. This webinar will be recorded and posted in the WIDA Secure Portal.

Participants will be able to

- Discuss the features of ACCESS for ELLs Online
- Describe the training and preparation requirements
- Explain the technology basics for ACCESS for ELLs Online
- Identify the different aspects of online test administration, such as
 - Domain test details
 - Accessibility and accommodations
 - Monitoring the test
 - Preparing students for the test
- Describe the process of test materials management
- Identify the WIDA AMS responsibilities for test administrators
