

WIDA Alternate ACCESS

One 90-Minute Webinar
December 10, 2024; 2-3:30 PM
<https://uwmadison.zoom.us/j/92633699089>

Audience: This webinar is designed for WIDA Alternate ACCESS test administrators.

Description: This webinar highlights WIDA Alternate ACCESS resources for training and identifies important aspects of test administration such as accessibility, test accommodations, and procedures for scoring. This webinar is designed for WIDA Alternate ACCESS test administrators but is not a replacement for the WIDA Alternate ACCESS test administrator training.

Participants will be able to

- Discuss the features of WIDA Alternate ACCESS
- Describe the training and preparation requirements
- Identify the different aspects of test administration, such as
 - Domain test details
 - Accessibility and accommodations
- Explain the procedures for scoring the Speaking and Writing tests
- Describe the process of test materials management
